Meem, Jonathan Alexander, Key Beck, Michelle A. Gibson, 2022-07-28 Finding Out Fourth Edition introduces readers to lesbian gay bisexual transgender queer LGBTQ studies By combining accessible introductory and explanatory material with primary texts and artifacts this text reader explores the development and growth of LGBTQ identities and the interdisciplinary nature of sexuality studies Now available in a digital ebook format the fourth edition has been thoroughly updated to include a new chapter on Trans Lives and Theories and new readings Chapters include more discussions of important and current issues in LGBTQ studies such as the emergence of non binary identities and issues of race and class making Finding Out Fourth Edition an even more comprehensive introduction to the field Minorities and Representation in American Politics

Rebekah Herrick, 2016-01-29 Minorities and Representation in American Politics is the first book of its kind to examine underrepresented minorities with a framework based on four types of representation descriptive formalistic symbolic and substantive Through this lens author Rebekah Herrick looks at race ethnic gender and sexual minorities not in isolation but synthesized within every chapter This enables readers to better recognize both the similarities and differences of groups underrepresentation Herrick also applies her unique and constructive approach to intergroup cooperation and intersectionality highlighting the impact that groups can have on one another **Sociology of Sexualities** Kathleen J. Fitzgerald, Kandice L. Grossman, 2017-02-08 Sociology of Sexualities by Kathleen J Fitzgerald and Kandice L Grossman is the first comprehensive text to approach the study of sexuality from a sociological perspective Drawing on the most up to date social scientific research on sexuality it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society Topics covered include the emergence of sexual identities

inequalities and discrimination faced by sexual and gender minorities heterosexual and cisgender privilege activism and mobilization to challenge such discrimination the commodification of sexuality and the ways sexuality operates in and through various institutions Throughout the text the authors show how sexuality intersects with other statuses and identities

*Bisexuality and Queer Theory* Jonathan Alexander, Serena Anderlini-D'Onofrio, 2014-04-10 According to David Halperin sexuality in our time is typified by a crisis in contemporary sexual definition What is sexuality What does it mean to have a sexual identity or orientation What is the relationship between sexuality as a knowledge construct on one hand and the often messy flows of desire and practices of love on the other How and why are some sexual erotic and intimate practices normalized and others marginalized Queer Theory has emerged in the West as one of the most provocative analytical tools in the humanities and social sciences It scrutinizes identity and social structures that take heteronormativity for granted that do not question the social construction of heterosexuality as normative in relation to its oppositional binary homosexuality At the same time bisexuality is a practice identity and orientation that challenges the binary logic around which cultural notions of sexuality are organized It is a portal to the imagination of a world of amorous expression beyond that divide This provocative collection presents bisexuality and queer theory as two parallel thought collectives that have made significant contributions to cultural discourses about sexual and amorous practices since the onset of the AIDS era and explores the ideas that circulate in these thought collectives today We learn much about the construction and experience of sexuality and the power it still holds throughout the contemporary Western world to shape identities and practices This volume challenges our understanding of what it means to be sexual to have a sexual identity and to practise the arts of loving This book was originally published as a special issue of the Journal of Bisexuality

**The Borders of Integration** Bianca Maria Pirani,2018-10-12 This volume introduces sociological knowledge to social reality in various fields that are especially significant for Southern European societies such as education migration social cohesion and political participation It provides the reader with an understanding of the new

and radical challenges that Europe has been called to face and complements academic research with new conceptualisations of sociology which solve social public problems in specific territorial contexts The book focuses on the body as the vector of social cohesion policies in the awareness that cohesion revolves around the ability of all people not just migrants to manage conflict and change With these aims the empowered body is suggested as a means able to build up the timescales of memory as time windows open to the ethic boundaries of human life In today s world the question of empowerment crosses borders not only geographic but also cognitive linguistic and cultural ones Refuting the longstanding notion that culture alone is responsible for group behaviour this book confronts the moving up and getting on characterizing current immigration policies specifically in Europe and the Mediterranean area and in general around the world Methodologically all contributions here pay attention to the powerful connection between the individual lives and the historical and socio economic contexts in which these lives unfold The brilliant analyses here suggest at least the borderlands as the agent making the movement of policy

*Queer Media Images* Theresa Carilli, Jane Campbell, 2013-05-16 *Queer Media Images* LGBT Perspectives presents fifteen chapters that address how the gay lesbian bisexual and transgendered communities are depicted in the media This collection focuses on how the LGBT community has been silenced or given voice through the media Through a study of queer media images this book scrutinizes LGBT media representations and how these representations contribute to a dialogue about civil rights for this marginalized community While the communication discipline has been open to the LGBT community there has been an absence of published research and a marginalizing or tokenizing of the queer voice Through a study of media representations this unique collection provides a snapshot into the issues surrounding LGBT identity during a time when the Defense of Marriage Act is called into question and explores what it means to study images through a queer lens

*Queering Public Health and Public Policy in the Deep South* Kamden K. Strunk, Raina Feiszli, 2020-05-01 In this volume authors explore the interconnected issues of public health and public policy as they relate to queer issues in the Deep South The book begins with a sustained examination of public health health disparities and mental health for LGBTQ people in the South Next the issues of public policy and public advocacy including law enforcement community advocacy and activism and public life in the Deep South are taken up Through the chapters in this text the peculiarities of public health and public policy for LGBTQ people in the Deep South are explored However this volume also points to trends themes and dynamics at work in the Deep South that are also implicated in the queer experience in other parts of the U S The authors of this text push readers to think deeply about these issues They clearly highlight the systemic nature of oppression of queer people in the South through institutions of medicine mental health discourses the criminal justice system and public life including Pride and Mardi Gras Taken together the authors in this volume call for reform liberation and conscientization and queerly envision the future of health and policy in the Deep South

**From Sin to Amazing Grace** Patrick S. Cheng, 2012-03 This book provides a unique synthesis of liberation queer and postcolonial

theologians over the last few decades within a unified theological framework It Will advance the inclusion of LGBT people within church and society This book is a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the 21st century Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God s saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue has taken on a particular urgency in light of the horrific string of suicides over the last year of young LGBT people who were subjected to harassment and bullying by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ

Publisher *LGBTIQ + people and Pentecostals* Marius Nel,2021-11-30 This book provides Pentecostals with the necessary equipment and motivation to contribute to one of Africa s important ethical challenges LGBTIQ people and Africa s homophobic reaction to them The study is aimed at Christian believers and pastors to empower them with relevant information about the issue The issue is discussed in terms of existing biological psychological anthropological sociological philosophical and queer theory knowledge along with a study of the biblical texts in order to answer the question what should a responsible African Pentecostal response be towards the LGBTIQ issue and what should Pentecostals attitude be towards such people

**Human Rights of the Third Gender in India** Lopamudra Sengupta,2023-03-02 This book engages with the discourses on human rights as they apply to the transgender or the hijra community in India capturing not only their larger struggle for legal rights and dignity but also their personal hardships It situates the issues and concerns of the Indian transgender community within a global context to explore the extent of social justice in independent India By narrating stories of individuals local movements and activities of groups like the Association of Transgender Hijra in Bengal ATHB and others the book gives context to the changes that globalisation has brought to the narrative around transgenders in India This shift has challenged their marginalisation and has led to stories films and queer individuals like Chapal Bhaduri the jatra rani and the iconic filmmaker Rituparno Ghosh to flourish and become relevant This book brings these literatures and personal stories to the fore allowing readers to perceive the changes and the challenges that Indian society faces when it comes to ensuring the rights for transgender people This volume will be of interest to scholars of gender studies queer studies literature and social work along with readers who want to engage with the transgender movement and community in India

**Feminist Rhetorical Resilience** Elizabeth A Flynn,Patricia Sotirin,Ann Brady,2012-06-16 Although it is well known in other fields the concept of resilience has not been addressed explicitly by feminist rhetoricians This collection develops it in readings of rhetorical situations across a range of social contexts and national cultures Contributors

demonstrate that resilience offers an important new conceptual frame for feminist rhetoric with emphasis on agency change and hope in the daily lives of individuals or groups of individuals disempowered by social or material forces Collectively these chapters create a robust conception of resilience as a complex rhetorical process redeeming it from its popular association with individual heroism through an important focus on relationality community and an ethics of connection Resilience in this volume is a specifically rhetorical response to complicated forces in individual lives Through it Feminist Rhetorical Resilience widens the interpretive space within which rhetoricians can work
