Missing People, Animals, Things? Go to Anthony Juanita de Guzman Gutierrez, 2019-11-26 Inside this book is a very powerful prayer to Saint Anthony that will shake your hearts out Saint Anthony of Padua is also a matchmaker For those of you who are looking for suitable partners Saint Anthony is the way to go Actually this prayer was taught and given to me by my beloved mother who was a devoted Saint Anthony of Padua believer Mom assured me that this prayer to Saint Anthony will always be heard by the Saint It was in World War II in a jungle that two young newlyweds were hiding They can see the marching boots of the Japanese soldiers These soldiers held bayonets in their hands Nearby the newlyweds was their friend who was bayoneted It was at this time when the Japanese soldiers were approaching their exact location that the new husband saw a tall man with a brown Habit or clothing spread it out to hide these two newlyweds Each time the Japanese soldiers will close in to these newlyweds hiding spot this browned clothed man with an almost bald hair very young and fair skinned will stand in front of them and spread his cloak or long robe around these blessed newlyweds to hide the two of them The Japanese soldiers did not see the two newlyweds and had changed directions and went away And these newlyweds were safe And the vision of Saint Anthony of Padua disappeared These newlyweds were my future parents And my beloved mother was a devotee of Saint Anthony of Padua As a very young girl my future mother was always wearing a brown Habit or Clothing just as Saint Anthony of Padua each time she went to church And it was only my beloved father who saw the vision of Saint Anthony of Padua who saved them from being killed by the Japanese soldiers bayonets in that

jungle hideaway in 1944 That hideaway jungle was now where our ancestral home was built and where we grew up All these give me tears each time I recall these very holy and galactic events And I myself have experienced so many miracles from Saint Anthony of Padua This is precisely why this very precious book was written My beloved parents have experienced the miraculous intervention of Saint Anthony during World War II when they were newly married And up to this day Saint Anthony always runs to our rescue whenever we are looking for something After I have said this powerful prayer to Saint Anthony I have found this manuscript that I have been searching for I said to Saint Anthony that if I found this very manuscript that this was Creator Source and Saint Anthony s sign that I will publish this miraculous book And I have found this my manuscript that is in your hands right now
