The Healthy Churches' Handbook Robert Warren, 2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church It focuses on the quality of the church's life rather than just the numbers attending

Finding Rest Jonathon M. Seidl, 2021-09-28 Jon knows better than most what it means to battle anxiety and how to forge a path to victory He also treats it with care and pushes the conversation to places that it hasn't often gone in the church Kirk Cameron In the aftermath of the pandemic even those who have never struggled with mental health have found themselves reeling looking for answers they don't know how to find For Christians especially those who've despaired of help from a church that has too often stigmatized mental health challenges as a lack of faith the way forward can be particularly difficult to see Jonathon Seidl aims to fix that Having fought his own way through crippling anxiety life altering OCD and suicidal thoughts he knows the value of concrete advice grounded in strong biblical truth Instead of the trite or unsympathetic counsel that's often given Finding Rest is practical personal and productive Full of compelling stories humor from a guide who's still on his journey and scriptural truths this book offers real hope and help It also provides a lifeline for friends and family who long for ways to help relieve the suffering of their loved ones And it lays out thoughtful needed paths for the body of Christ to become a refuge of hope for the anxious

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even

parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more
