Fire Bones Mark R Harris

Russell L. Ciochon, John G. Fleagle

Fire Bones Mark R Harris:

The Beat! Kip Lornell, Charles C. Stephenson, 2009 The Beat was the first book to explore the musical social and cultural phenomenon of go go music In this edition updated by a substantial chapter on the current scene authors Kip Lornell and Charles C Stephenson Ir place go go within black popular music made since the middle 1970s a period during which hip hop has predominated This styling reflects the District's African American heritage Its super charged drumming and vocal combinations of hip hop funk and soul evolved and still thrive on the streets of Washington DC and in neighboring Prince George's County making it the most geographically compact form of popular music Go go the only musical form indigenous to Washington DC features a highly syncopated nonstop beat and vocals that are spoken as well as sung The book chronicles its development and ongoing popularity focusing on many of its key figures and institutions including established acts such as Chuck Brown the Godfather of Go Go Experience Unlimited Rare Essence and Trouble Funk well known DJs managers and promoters and filmmakers who have incorporated it into their work The Beat provides longtime fans and those who study The Newark Frontier Mark Krasovic, 2016-04-15 To American musical forms a definitive look at the music and its makers many Newark seems a profound symbol of postwar liberalism's failings an impoverished deeply divided city where commitments to integration and widespread economic security went up in flames during the 1967 riots While it s true that these failings shaped Newark's postwar landscape and economy as Mark Krasovic shows that is far from the whole story The Newark Frontier shows how during the Great Society urban liberalism adapted and grew defining itself less by centralized programs and ideals than by administrative innovation and the small scale personal interactions generated by community action programs investigative commissions and police community relations projects Paying particular attention to the fine grained experiences of Newark residents Krasovic reveals that this liberalism was rooted in an ethic of experimentation and local knowledge He illustrates this with stories of innovation within government offices the dynamic encounters between local activists and state agencies and the unlikely alliances among nominal enemies Krasovic makes clear that postwar liberalism's eventual fate had as much to do with the experiments waged in Newark as it did with the violence that rocked the city in the summer of 1967 The Archeological Literature of the South-Central United States: Citations W. Fredrick Limp, Ellen Zahn, James P. Harcourt, 1989 The Law Times ,1880 Johnson's English Dictionary. To which is annexed the pronunciation according to present practice ... With an appendix containing several thousand words omitted by Dr. Johnson, etc. By W. Maver Samuel Johnson, 1809 Catalog of Copyright Entries Library of Congress. Copyright Office, 1962 Merchant Vessels of the United States ,1981 The Indiana Farmer .1916 The Congregationalist and Christian World ,1905 American Lumberman ,1909 Live Stock Journal ,1902 Annual Report of the Trustees of the Soldiers' Home in Massachusetts at Chelsea, ...
