## **Fire In The Belly The Life And Times Of David Wojnarowicz:**

Fire in the Belly C. Carr, 2012-07-17 A full length account of the life and times of the East Village artist and gay activist centers on the infamous 2010 censoring of *A Fire in My Belly* exploring Wojnarowicz's brutal childhood relationship with his contemporaries and early death from AIDS in 1992 30 000 first printing      The Routledge Companion to Literature and Disability Alice Hall, 2020-04-28 The Routledge Companion to Literature and Disability brings together some of the most influential and important contemporary perspectives in this growing field The book traces the history of the field and locates literary disability studies in the wider context of activism and theory It introduces debates about definitions of disability and explores intersectional approaches in which disability is understood in relation to gender race class sexuality nationality and ethnicity Divided broadly into sections according to literary genre this is an important resource for those interested in exploring and deepening their knowledge of the field of literature and disability studies      Cruising the Dead River Fiona Anderson, 2019-10-14 In the 1970s Manhattan's west side waterfront was a forgotten zone of abandoned warehouses and piers Though many saw only blight the derelict neighborhood was alive with queer people forging new intimacies through cruising Alongside the piers sexual and social worlds artists produced work attesting to the radical transformations taking place in New York Artist and writer David Wojnarowicz was right in the heart of it documenting his experiences in journal entries poems photographs films and large scale site specific projects In *Cruising the Dead River* Fiona Anderson draws on Wojnarowicz's work to explore the key role the abandoned landscape played in this explosion of queer culture Anderson examines how the riverfront's ruined buildings assumed a powerful erotic role and gave the area a distinct identity By telling the story of the piers as gentrification swept New York and before the AIDS crisis Anderson unearths the buried histories of violence regeneration and LGBTQ activism that developed in and around the cruising scene      *AIDS and Representation* Fiona Johnstone, 2023-05-18 *AIDS Representation* explores portraits and self portraits made in response to the AIDS epidemic in America in the 1980s and 1990s Addressing the work of artists including Mark Morrisroe Robert Blanchon and Felix Gonzalez Torres through the interrelated themes of sickness and mortality desire and sexual identity love and loss Fiona Johnstone shows how the self representational practices of artists with HIV and AIDS offered a richly imaginative response to the limitations of early AIDS imagery Johnstone argues that the AIDS epidemic changed the very nature of visual representation and artistic practice necessitating a radical new approach to conceptualising and visualising the human form An extended epilogue considers the ongoing art historicization of the epidemic re contextualising the book's themes in relation to contemporary photographic works More than just a historical discussion of the art of the AIDS crisis *AIDS and Representation* contributes to an emergent body of scholarship on the visual representation of illness Expanding the established genre of the autopathography or illness narrative beyond the predominantly textual this important contribution to art history and health humanities sensitively unpicks the entanglements between aesthetic form and the expression of

lived experiences of critical and chronic ill health      *Life and Death on the New York Dance Floor, 1980-1983* Tim Lawrence, 2016-09-15 As the 1970s gave way to the 80s New York's party scene entered a ferociously inventive period characterized by its creativity intensity and hybridity *Life and Death on the New York Dance Floor* chronicles this tumultuous time charting the sonic and social eruptions that took place in the city's subterranean party venues as well as the way they cultivated breakthrough movements in art performance video and film Interviewing DJs party hosts producers musicians artists and dancers Tim Lawrence illustrates how the relatively discrete post disco post punk and hip hop scenes became marked by their level of plurality interaction and convergence He also explains how the shifting urban landscape of New York supported the cultural renaissance before gentrification Reaganomics corporate intrusion and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement      **Hold It Against Me** Jennifer Doyle, 2013-04-01 In *Hold It Against Me* Jennifer Doyle explores the relationship between difficulty and emotion in contemporary art treating emotion as an artist's medium She encourages readers to examine the ways in which works of art challenge how we experience not only the artist's feelings but our own Discussing performance art painting and photography Doyle provides new perspectives on artists including Ron Athey Aliza Shvarts Thomas Eakins James Luna Carrie Mae Weems and David Wojnarowicz Confronting the challenge of writing about difficult works of art she shows how these artists work with feelings as a means to question our assumptions about identity intimacy and expression They deploy the complexity of emotion to measure the weight of history and to deepen our sense of where and how politics happens in contemporary art Doyle explores ideologies of emotion and how emotion circulates in and around art Throughout she gives readers welcoming points of entry into artworks that they may at first find off putting or confrontational Doyle offers new insight into how the discourse of controversy serves to shut down discussion about this side of contemporary art practice and counters with a critical language that allows the reader to accept emotional intensity in order to learn from it      *Somaesthetics of Discomfort: Addressing Identity, Normativity, and Alienation* M.D. Tschaepe, 2024-12-02 This book is about bodies and discomfort Specifically it is about how to recognize discomfort as a motivating source for critical reflection This book is about how people project their discomfort onto others in harmful ways that alienate and it is also about how those who are alienated may use their discomfort to fight against those harms Based in work from pragmatist feminist antiracist queer and disability studies and informed by lessons from personal narratives and philosophical analysis this book develops somaesthetics of discomfort as it examines interrogates and addresses issues concerning identity normativity and alienation      **We Are Having This Conversation Now** Alexandra Juhasz, Theodore Kerr, 2022-08-08 *We Are Having This Conversation Now* offers a history present and future of AIDS through thirteen short conversations between Alexandra Juhasz and Theodore Kerr scholars deeply embedded in HIV responses They establish multiple timelines of the epidemic offering six foundational periodizations of AIDS culture tracing how attention to the crisis has waxed and waned from the 1980s to the

present They begin the book with a 1990 educational video produced by a Black health collective using it to consider organizing intersectionally theories of videotape empowerment movements and memorialization This video is one of many powerful yet overlooked objects that the pair focus on through conversation to understand HIV across time Along the way they share their own artwork activism and stories of the epidemic Their conversations illuminate the vital role personal experience community cultural production and connection play in the creation of AIDS related knowledge archives and social change Throughout Juhasz and Kerr invite readers to reflect and find ways to engage in their own AIDS related culture and conversation

**Valerie Solanas** Breanne Fahs, 2014-04-15 The authoritative biography of the 60s countercultural icon who wrote SCUM Manifesto shot Andy Warhol and made an unforgettable mark on feminist history Valerie Solanas is one of the most polarizing figures of 1960s counterculture A cult hero to some and vehemently denounced by others she has been dismissed but never forgotten Known for shooting Andy Warhol in 1968 and for writing the infamous SCUM Manifesto Solanas became one of the most famous women of her era But she was also diagnosed with paranoid schizophrenia and spent much of her life homeless or in mental hospitals Solanas s SCUM Manifesto a sui generis vision of radical gender dystopia predicted ATMs test tube babies the Internet and artificial insemination long before they existed It has sold more copies and been translated into more languages than nearly all other feminist texts of its time And yet shockingly little work has investigated the life of its author This book is the first biography about Solanas including original interviews with family friends and enemies and numerous living Warhol associates It reveals surprising details about Solanas s life the children nearly no one knew she had her drive for control over her own writing and her elusive personal and professional relationships Valerie Solanas reveals the tragic remarkable life of an iconic figure It is not only a remarkable biographical feat but also a delicate navigation of an unwieldy demanding and complex life story BOMB Magazine

**Hidden** Clinton Elliot, 2014-02-04 A charming witty and wide ranging collection of brief biographies of closeted gay men in modern and early modern history Hidden The Intimate Lives of Gay Men Past and Present includes colorful snapshots of such well known men as Horatio Alger Thomas Eakins King Edward II Alfred C Kinsey and Siegfried Wagner Readers will find joy and sorrow and pleasure and pain in these 400 biographies of men who were forced to live hidden lives All were caught in the tension between the torment of secrecy and the calamity of revelation How did they manage their difficult lives How indeed did they survive One who did was James Brooke He turned his inheritance into a 142 ton schooner sailed for the East Indies seized the northern part of Borneo and proclaimed himself Rajah of Sarawak Among those who did not survive was Jan Quisthout Van der Linde a soldier in New Amsterdam not yet New York He was stripped of his arms his sword broken at his feet He was then tied in a sack thrown into the Hudson River and drowned until dead While illuminating individuals the book also provides rich cultural and historical content including the trial of those over the top transvestites Ernest Boulton Stella of the Strand and Frederick Fanny Park and a delightful description of the 5th Marquess of Anglesey as he parades along the

boulevards of Paris rouged powdered and perfumed cradling an equally perfumed poodle festooned with pink ribbons Written in clear concise and lively prose Hidden offers a substantive and extensive look at men who lived their lives in conflict with their sexuality *We're Not Here to Entertain* Kevin Mattson,2020-05-14 Many remember the 1980s as the era of Ronald Reagan a conservative decade populated by preppies and yuppies dancing to a soundtrack of electronic synth pop music In some ways it was the MTV generation However the decade also produced some of the most creative works of punk culture from the music of bands like the Minutemen and the Dead Kennedys to avant garde visual arts literature poetry and film In *We're Not Here to Entertain* Kevin Mattson documents what Kurt Cobain once called a punk rock world the all encompassing hardcore indie culture that incubated his own talent Mattson shows just how widespread the movement became ranging across the nation from D C through Ohio and Minnesota to LA and how democratic it was due to its commitment to Do It Yourself DIY tactics Throughout Mattson puts the movement into a wider context locating it in a culture war that pitted a blossoming punk scene against the new president Reagan's talk about end days and nuclear warfare generated panic his tax cuts for the rich and simultaneous slashing of school lunch program funding made punks who saw themselves as underdogs seethe at his meanness The anger went deep since punks saw Reagan as the country's entertainer in chief his career from radio to Hollywood and television synched to the very world punks rejected Through deep archival research Mattson reignites the heated debates that punk's opposition generated in that era about everything from straight edge ethics to anarchism to the art of dissent By reconstructing the world of punk Mattson demonstrates that it was more than just a style of purple hair and torn jeans In so doing he reminds readers of punk's importance and its challenge to simplistic assumptions about the 1980s as a one dimensional conservative epoch **Negative Space** Lilly Dancyger,2021-05-01 Despite her parents struggles with addiction Lilly Dancyger always thought of her childhood as a happy one But what happens when a journalist interrogates her own rosy memories to reveal the instability around the edges Dancyger's father Joe Schactman was part of the iconic 1980s East Village art scene He created provocative sculptures out of found materials like animal bones human hair and broken glass and brought his young daughter into his gritty iconoclastic world She idolized him despite the escalating heroin addiction that sometimes overshadowed his creative passion When Schactman died suddenly just as Dancyger was entering adolescence she went into her own self destructive spiral raging against a world that had taken her father away As an adult Dancyger began to question the mythology she'd created about her father the brilliant artist struck down in his prime Using his sculptures paintings and prints as a guide Dancyger sought out the characters from his world who could help her decode the language of her father's work to find the truth of who he really was *New York, New York, New York* Thomas Dyja,2021-03-16 A lively immersive history by an award winning urbanist of New York City's transformation and the lessons it offers for the city's future **Keith Haring's Line** Ricardo Montez,2020-08-10 In the thirty years since his death Keith Haring a central presence on the New York downtown scene of the 1980s has remained one

of the most popular figures in contemporary American art In one of the first book length treatments of Haring s artistry Ricardo Montez traces the drawn and painted line that was at the center of Haring s artistic practice and with which the artist marked canvases subway walls and even human flesh Keith Haring s Line unites performance studies critical race studies and queer theory in an exploration of cross racial desire in Haring s life and art Examining Haring s engagements with artists such as dancer and choreographer Bill T Jones graffiti artist LA II and iconic superstar Grace Jones Montez confronts Haring s messy relationships to race making and racial imaginaries highlighting scenes of complicity in order to trouble both the positive connotations of inter racial artistic collaboration and the limited framework of appropriation *DIY on the Lower East Side* Andrew Strombeck,2020-08-01 The severe financial austerity imposed on New York City during the 1975 fiscal crisis resulted in a city falling apart Broken windows crumbling walls and piles of bricks were everywhere While for many this physical decay was a sign that the postwar welfare state had failed for others it represented a site of risky opportunity that could stimulate novel forms of creativity and community In this book Andrew Strombeck explores the legacy of this crisis for the city s literature and art focusing on one neighborhood where changes were acutely felt the Lower East Side In what became a paradigmatic example of gentrification the Lower East Side s population shifted from working class people to Wall Street traders and ad agents This transformation occurred in part because of high profile local artists such as Jean Michel Basquiat Keith Haring Jeff Koons and Kiki Smith but Strombeck argues that neighborhood writers also played a role Drawing on archival research and original author interviews he examines the innovative work of Kathy Acker David Wojnarowicz Miguel Pi ero Sylv re Lotringer Lynne Tillman and others and concludes that these writers still have much to teach us about changes in the nature of work and the emergence of a do it yourself ethos *DIY on the Lower East Side* shows how place and politics shaped literature and how New York City policies adopted at the time continue to shape our world

**The Routledge Handbook of Male Sex Work, Culture, and Society** John Geoffrey Scott,Christian Grov,Victor Minichiello,2021-03-21 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the

one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work      *Last Things* Jacques Khalip,2018-03-27 The arrival of the Anthropocene brings the suggestion that we are only now beginning to speculate on an inhuman world that is not for us only now confronting fears and anxieties of ecological political social and philosophical extinction While pointing out that reflections on disaster were not foreign to what we historically call romanticism *Last Things* pushes romantic thought toward an altogether new way of conceiving the end of things one that treats lastness as neither privation nor conclusion Through quieter non emphatic modes of thinking the end of human thought Khalip explores lastness as what marks the limits of our life and world Reading the fate of romanticism and romantic studies within the key of the last Khalip refuses to elegize or celebrate our ends instead positing romanticism as a negative force that exceeds theories narratives and figures of survival and sustainability Each chapter explores a range of romantic and contemporary materials poetry by John Clare Emily Dickinson John Keats Percy Shelley and William Wordsworth philosophical texts by William Godwin David Hume Immanuel Kant and Jean Jacques Rousseau paintings by Hubert Robert Caspar David Friedrich and Paterson Ewen installations by Tatsuo Miyajima and James Turrell and photography by John Dugdale Peter Hujar and Joanna Kane Shuttling between temporalities *Last Things* undertakes an original reorganization of romantic thought for contemporary culture It examines an archive on the side of disappearance perishing the inhuman and lastness      *Histories of HIV/AIDS in Western Europe* Janet Weston,Hannah J. Elizabeth,2022-08-09 The early 2020s marked the fortieth anniversary of the first confirmed cases of AIDS and a new wave of historical interest in the ongoing epidemic This edited collection showcases some of this exciting new work with a particular focus on less well known histories from western Europe Featuring research from social cultural and public historians sociologists and area studies scholars its eight chapters address experiences events and memories across regions and nations including Scotland Wales Italy Norway and the Netherlands paying careful attention to often overlooked groups including drug users sex workers nurses mothers and people in prison Offering new perspectives on the development and implementation of policy the nature of activism and expertise and which or whose histories are remembered it is essential reading not only for historians of health but also for all those working in HIV AIDS studies      **Graphic Embodiments** Lisa DeTora,Jodi Cressman,2021-03-08 Comics and other graphic narratives powerfully represent embodied experiences that are difficult to express in language A group of authors from various countries and disciplines explore the unique capacity of graphic narratives to represent human embodiment as well as the relation of human bodies to the worlds they inhabit Using works from illustrated scientific texts to contemporary comics across national traditions we discover how

the graphic narrative can shed new light on everyday experiences Essays examine topics that are easily recognized as anchored in the body as well as experiences like migration and concepts like environmental degradation and compassion that emanate from or impact on our embodied states Graphic Embodiments is of interest to scholars and students across various interdisciplinary fields including comics studies gender and sexuality studies visual and cultural studies disability studies and health and medical humanities
