Repair Revolution John Wackman, Elizabeth Knight, 2020-10-27 Every year millions of people throw away countless items because they don't know how to fix them. Some products are manufactured in a way that makes it hard if not impossible for people to repair them themselves. This throwaway lifestyle depletes Earth's resources and adds to overflowing landfills. Now there's a better way. Repair Revolution chronicles the rise of Repair Cafés, Fixit Clinics, and other volunteer-run organizations devoted to helping consumers repair their beloved but broken items for free. Repair Revolution explores the philosophy and wisdom of repairing as well as the Right to Repair movement. It provides inspiration and instructions for starting, staffing, and sustaining your own repair events. Fixperts share their favorite online repair resources as well as tips and step-by-step instructions for how to make your own repairs. Ultimately, Repair Revolution is about more than fixing material objects in an age of overconsumption and planned obsolescence: do-it-yourself repair is a way of caring for our lives, our communities, and our planet.
