*Job Hunting in New York City* WetFeet,      *Craigslist Confessional* Helena Dea Bala, 2020-07-07 Touching The New York Times For fans of Humans of New York and PostSecret a collection of raw urgent and heartfelt stories shared anonymously Helena Dea Bala was an exhausted and isolated DC lobbyist suffocating under the weight of her student loan debt when she decided to split her lunch with a man who often panhandled near her office They chatted effortlessly as they ate there were no half truths or white lies and no fear of judgment Helena felt connected and unburdened in a way she hadn't in years Inspired she posted an ad on Craigslist promising to listen anonymously and for free to whatever the speaker felt he or she couldn't tell anyone else Emails from people desperate to connect flooded her inbox and she listened Within months Helena quit her job deferred her loans and dove into listening full time The forty first person confessions in this book are vivid intimate and real they range from devastating traumas to lost loves to reflections on hard choices Some accounts are quotidian like that of one increasingly estranged husband I want to feel that we're not just roommates that we're not just waiting for the kids to grow up so that we can move on Others are deeply disconcerting like that of a sex addict employed by a religious organization and several are heartening like that of a mother who dares to hope that her daughter born with life threatening heart defects will one day walk down the aisle Sometimes you need to have the audacity to believe that it will all be okay that it is okay to have the same kinds of dreams as everyone else In its complex portrayal of the common human experience Craigslist Confessional challenges us to explore the depths of our vulnerability and expand the borders of our empathy      *Wanted - Bear Cubs for My Children* Gary Finger castle, 2009-10-18 What do haunted furniture bear cubs and a skydiving baby have in common Answer Serial craigslist poster and parodist Gary Finger castle Picture this Author and agitator Gary Finger castle posts hundreds of mock advertisements on the popular website craigslist.org and receives thousands of real life responses And because truth is stranger than fiction he learns that People will do anything for love like jumping into a lion pen and dressing up like a Christmas tree You can give anything away like haunted furniture torture racks and mummies You can purchase anything on the Internet like bear cubs and tattoos for children People will do anything for money like driving into walls at high speeds and starving themselves for five weeks straight This book is the hilarious and oftentimes horrifying collection that really makes you wonder are we all insane      **Workforce Management** ,2005
