Hearing God in Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking

we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks *Speak Lord, I'm Listening* Larry Kreider, 2008-10-01 Jesus said My sheep hear my voice but many Christians do not know how to hear from God In this practical story rich guidebook international teacher Larry Kreider shows believers how to develop a listening relationship with the Lord Speak Lord I'm Listening explores the multiple ways Christians can hear the voice of God in today's world It offers real life examples of how God teaches His followers to listen Contains tips in each chapter for distinguishing His voice from the noise of Satan's interference Christians across the denominational spectrum will develop a closer and deeper relationship with God as they learn 50 unique ways to listen to Him You will realize that God was speaking to you all along but like the disciples on the road to Emmaus you didn't know it was Him **Hearing God's Voice** Henry T. Blackaby, Richard Blackaby, 2002 Based on classic *Experiencing God* principles Hearing God's Voice is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend [Crash the Chatterbox Participant's Guide with DVD](#) Steven Furtick, 2014-09-30 *Hearing the Voice of God* Brian Neil Peterson, 2018-07-26 Knowing when God is speaking to you is sometimes easier said than done Indeed many people question how God speaks to believers today or in some cases if he does at all Yet for the believer hearing God's voice is vital for direction in one's life and for spiritual development In this book Peterson offers a practical guide for hearing God's voice by presenting numerous anecdotal accounts demonstrating how this has played out in his own life At the same time Peterson's instruction is securely anchored in the precedent of Scripture [Getting to Know God's Voice](#) Patty Mason, 2023-01-02 Why can't I hear God's voice Do you feel you are missing out on hearing God wondering why He speaks to others but doesn't seem to talk to you Do you have trouble recognizing God's voice above all the noise then *Getting to Know God's Voice* is the book for you Patty Mason longed to hear God speak to her Hidden beneath her dutiful Christian walk a hunger to generate honest communication with God developed Secretly she desired to go beyond the traditional views of discipleship and experience the God of the Bible but

where did she begin Then she made a wonderful discovery that caused her to go beyond daily religious duty to having daily conversations with God There are modern day believers who hear from God and Patty wants you to be one of them In this simple straightforward Bible study you ll discover the joy of talking with God and hearing Him speak to you not just in your prayer closet but all the time Each session features Quote from those who knew God s voice Brief teaching Invitation to dig deeper with key Scriptures Bible verses to meditate upon Guided prayers to read or pray aloud Segments to inspire open communication with God Benefits Learn the art of listening to God and discerning His voice Remove the obstacles that keep you from hearing God s voice Position yourself to clearly hear the deep things of God s heart Grow in intimacy with God by building your connection with God Understand the purpose of His voice and how to respond when He speaks Bonus Included When God Seems Silent If you are having a hard time hearing God it s possible He is speaking and you re missing what He is saying Therefore in the hope of debunking myths and removing any roadblocks in this section we will consider seven of the most common reasons why people think God seems silent Twenty five years ago Patty Mason came to hear me speak at her church in Dayton Ohio That day she heard a still small voice calling her to become a Christian communicator someday Since then Patty has devoted herself to the study and teaching of God s Word She founded Liberty in Christ Ministries and has appeared on numerous radio and television programs She has also cultivated a growing awareness of the beauty of His presence in her own faith journey Fast forward twenty five years and today I m honored to speak on her behalf and commend to you her no nonsense approach to simple straightforward Bible studies Everyone has a story to tell And many Christian books today are just that stories about the author and her personal journey This is not that So if you re looking for amusing anecdotes and lots of fluff and filler look elsewhere But if you want a quick and easy Bible study that s laser focused on God and His Word then look no further Donna Partow Million copy Bestselling Author Becoming the Woman God Wants Me to Be
