Hot Jobs, ABCnews.com, Payscale.com and others about creating job security. Creating Job Security Debra Yergen, 2009 **The Last Mistress** Andrew Muir, 2011-03-02 The Last Mistress is the story of Richard Brown who leaves an English boarding school at the end of World War II to find his way in the world. Believing that he might have a vocation to take Holy Orders, he decided to travel to Jerusalem and then onto Rome. A brief stay in Paris opens a new world to him. On arrival in Palestine, he gets caught up in the war between Jews and Arabs and is conscripted into the Palestine Police. Posted on the border between Palestine and Lebanon, he gets the opportunity to visit Beirut and enjoy its pleasures before being demobilized and sent back to London. His journey through life does not stop there. Graduating from Imperial College London University, he enters the business world and as a high flying investment banker, he decides that the sky's the limit. He travels around the world continuing with his lighthearted, erotic romp through life before a tragic event brings him back to earth and allows him to find his true vocation. Though by no means an autobiography, much of the background, especially the events in Palestine, are factual and well authenticated. However, as with his previous novels, the author draws on his personal experiences and titillates us with descriptions of gastronomic delights and seductive and sensual pleasures of love. Michael Kohlhaas: A Tale from an Old Chronicle (German Classics) Heinrich Von Kleist, 2015-01-06 Michael Kohlhaas is a novella written by famed writer Heinrich von Kleist, 1777-1811. The story is based upon the historical figure of Hans Kohlhaas, a 16th century merchant who turned violent after being attacked and

victimized by the authorities As a result he gathered around him a band of criminals and spread terror throughout the whole of Saxony The novella is a good example of Kleist s excellent narrative art The action can be summed up in a few words such as the formula for this story given expressly on its first page His sense of justice made him a robber and a murderer There is no leisurely exposition of time place or situation all the necessary elements are given concisely in the first sentences The action develops logically with effective use of retardation and climax but without disturbing episodes and the reader is never permitted to forget the central theme The descriptive element is realistic with only pertinent details swiftly presented often in parentheses while the action moves on The characterization is skilfully indirect through unconscious action and speech The author does not shun the trivial or even the repulsive in detail nor does he fear the most tragic catastrophes The whole work in all its parts is firmly and finely forged by a master workman Kleist has remained a solitary figure in German literature Owing little to the dominant literary influences of his day he has also found few imitators Two generations passed before he began to come into his heritage of legitimate fame Now his place is well assured among the greatest dramatic and narrative authors of Germany John S Nollen *The Trail of the Hawk* Sinclair Lewis,2015-01-07 The Trail of the Hawk by Sinclair Lewis is the chronicle of an inveterate Rolling Stone Carl Ericson a born rebel against conventions finds himself from boyhood up at war with the combined forces of family school and society all three of which unite in trying to mould him into the average colourless human being Consequently throughout his earlier years he is in perpetual disgrace at home at school and at college Thus it happens that we find Carl in early adolescence a friendless and penniless wanderer undaunted and thrilling with a sense of freedom and the boundless opportunity of satisfying his unquenchable curiosity about life The first of the three parts into which this chronicle is divided The Adventure of Youth covers the formative years and helps to explain why Carl is what he is and not otherwise Part II The Adventure of Adventuring is an undiluted joy It is improbable to be sure almost burlesque yet so joyous so spontaneous so kaleidoscopic in its varied scene and shifting action that one must accept it with indulgent credulity Packer in a department store waiter in a third class restaurant mechanic in an automobile factory chauffeur professional tramp and candidate for the bread line porter in a Bowery saloon facing the problem of saving four dollars out of a weekly salary of eight in order to gratify a new ambition namely to see the Panama Canal such is a brief epitome of one phase of our Rolling Stone s career a phase that all unconsciously is shaping him for bigger things and the following year finds him in California a partner in a profitable automobile repair shop Then the big news reaches him of the first successful flights of Curtis and the Wright Brothers and Carl recognises by instinct that here is the outlet for his pent up energies the one career for which his whole undisciplined nature has been crying out Much has been written about aviation both from the technical and the popular standpoint but it would be hard to find anywhere else in fiction any description that would give to the inexperienced a kindred thrill of breathless flight of danger that is a fearful joy and of confident omnipotence that is superhuman And then when this unrivalled Hawk of the Air men is at the zenith of his powers comes his

third adventure *The Adventure of Love* Of course the inevitable happens the Hawk has his wings clipped flights are a thing of the past a confining although lucrative office position and a conventional apartment on the Upper West Side begin to prey upon his nerves and soon the happy couple are quarrelling acrimoniously and often But you cannot cage a hawk for long Frederic Taber Cooper *The Trail of the Hawk* is a truly lifelike chronicle of the fortunes of Widow Ericson's boy Carl of Joralemon Minn who becomes Hawk Ericson the daring aviator and marries a very nice girl indeed They had promised to find new horizons for each other and when the resources of a New York flat in the way of horizons are exhausted they sail for South America Atlantic Monthly

The Honesties of Love Bruce Kellner, 2012 In this comedy of bad manners the ill matched parents of too young newly weds Billy and Ann Richardson politely collide in a series of encounters guaranteed to insure catastrophe when a wry college professor a glamorous real estate agent a randy plumber and a frustrated housewife politely face off on some social and sexual battlefields The confrontations may begin politely but they are guaranteed to end in chaos when a husband and a wife not each other's find themselves embroiled in an affair that proves to be equally passionate and ridiculous What begins as a test between social classes ends in a series of sexual confrontations Billy and Ann find themselves forced to grow up in a hurry to begin to accept their parents as people who are just as vulnerable as everybody else Far from the pastoral romance of *Winter Ridge* published by Mondial in 2008 and the grim landscape of *The Prettiest Girls in Euphoria* Kansas Mondial 2010 Bruce Kellner's novel *The Honesties of Love* turns a baleful eye on the minefield of marriage

Bug-Jargal (French Classics) Victor Hugo, 2015-01-06 *Bug Jargal* 1826 first published as a short story in 1819 is an early novel by French writer Victor Hugo 1802-1885 It describes the friendship between the enslaved African prince Bug Jargal and Leopold D Auverney a French military officer during the slave revolt in Santo Domingo of August 1791 that would eventually lead to the creation of the republic of Haiti in 1804 Bug Jargal black slave and son of a king is a man of the noblest moral and intellectual character passionately in love with a white woman yet tempering the wildest passion with the deepest respect There is no reader of the tale who can forget the entrancing interest of the scenes in the camp of the insurgent chief Biassou or the death struggle between Habibrah and D Auverney upon the brink of the cataract The latter in particular is drawn with such intense force that the reader seems almost to be a witness of the changing fortunes of the fight and can hardly breathe freely till he comes to the close The Edinburgh Review

Little What's-His-Name (Le Petit Chose. French Classics) Alphonse Daudet, 2015-01-06 *Little What's His Name Le Petit Chose* Alphonse Daudet's 1840-1897 first published though not his first written novel appeared in 1868 The first part was composed in that Southern France it describes so charmingly its first chapters form one of the most touching of autobiographies In the second part Daudet has to tell of the struggles of an idealistic young poet in the selfish devouring whirlpool of Paris The whole book seems to bear the impress of the circumstances under which it was written It is full of the milk of human kindness When Daudet wrote *Le Petit Chose* in his early manhood he succeeded in producing one of the most delightfully idyllic of his works one that will probably

continue to be read as long as any of the more powerful novels of his prime It is one of the most perfect representations in literature of childhood's hopes and fears and of youth's aspirations and defeats It is perfect because it is real Enjoy to the full one of the purest and most exquisite stories of youthful experience to be found in French or in any other literature W P Trent

Trials and Tribulations. A Berlin Novel (Irrungen, Wirungen) (German Classics) Theodor Fontane,2015-01-06 The gentle melancholy of two people coming together in a way which can never lead to full satisfaction the quiet tragedy of a separation not forced by external powers but by the constant pressure of circumstances this is what sounds through this splendid story Trials and Tribulations is built entirely on this motive An honest sturdy young officer and a decent pretty girl get to know each other on an excursion Unconsciously they drift into a relation where heart meets heart the breaking of which causes the deepest pain But both see clearly from the beginning that there is no other end For they know that the world is stronger than the individual and the many small moments than the one supreme They know it for they are like their creator resigned realists They shut their eyes only in order not to see the end too near Richard M Meyer The interest of Fontane's novels lies rather in character than in action While he portrays many types characteristic of Berlin and the surrounding region and is very successful in rendering local color and the atmosphere of the particular circle described in each book his penetration into universal human nature is sufficiently deep to raise him far above provincialism His effort is to represent people vividly and naturally in their normal relations not to strain after sensational or even dramatic situations Trials and Tribulations Irrungen Wirungen 1887 gives an excellent idea of his power In a gently moving story told without the forcing of emotion or the contriving of exciting scenes he deals with the pathos of the relation between a man and a woman alike in an attractive simplicity of character but forced apart by difference of rank The situation is laid before us without expressed censure or protest and is allowed to have its effect by the sober truth of its presentation Fontane's is an honest and sincere art none the less great because unpretentious W A N **Health Fair Resource Guide** ,1986 **The Downfall (La Debacle. The Rougon-Macquart)** Emile Zola,2015-01-07 In The Downfall Zola tells the story of a terrific land slide which overwhelmed the French Second Empire It is a story of war grim and terrible of a struggle to the death between two great nations In it the author has put much of his finest work and the result is one of the masterpieces of literature The hero is Jean Macquart son of Antoine Macquart and brother of Gervaise After the terrible death of his wife as told in La Terre The Soil Jean enlisted for the second time in the army and went through the campaign up to the battle of Sedan After the capitulation he was made prisoner and in escaping was wounded When he returned to active service he took part in crushing the excesses of the Commune in Paris The Downfall has been described as a prose epic of modern war and vast though the subject be it is treated in a manner that is powerful painful and pathetic **Resources in Vocational Education** ,1980 **Resources in Education** ,1999-04 **The Complete Reference Guide to United Nations Sales Publications, 1946-1978** Mary Eva Birchfield,2019-05-20 No detailed description available for The Complete Reference Guide to United Nations Sales

Publications 1946 1978 **Ghost Stories** Rudyard Kipling,2015-01-06 This is not exactly a book of downright ghost stories as the cover makes belief It is rather a collection of facts that never quite explained themselves All that the collector is certain of is that one man insisted upon dying because he believed himself to be haunted another man either made up a wonderful lie and stuck to it or visited a very strange place while the third man was indubitably crucified by some person or persons unknown and gave an extraordinary account of himself Rudyard Kipling The tales are quite as grisly as any one will demand although Mr Kipling makes fun of all of them and insinuates that they can be traced back to some variety of Indian fever or to the high spirits which are absorbed from bottles with popular labels N Y Herald *Microsoft Project Resource Guide* Techrepublic Staff,1995 Collection of tips and techniques from IT project experts at TechRepublic to help make the most of Microsoft s project management application Features and functionlity of Microsoft Project getting started beyond the basics Tools and templates are on the accompanying CD ROM *A Village Romeo and Juliet (Swiss-German Classics)* Gottfried Keller,2015-01-06 Love is necessarily an important element in all imaginative literature but with Gottfried Keller it does not overshadow all other aspects of life Great passion we do not find in his works In A Village Romeo and Juliet it is not ill consuming love that makes the two young people seek death but the bitter realization of life s law as they understood it which made it impossible for them ever to be united The story is a fine illustration of what a great artist may make out of his raw material Keller had read in a newspaper a report of the suicide of two young people the sort of tragedy that we may read almost daily in newspapers he seized upon the possibilities of the situation and the result was this story perhaps the best he ever wrote Gottfried Keller 1819 1890 was one of the foremost Swiss novelists and one of the most original figures of German literature since Goethe a master of style worthy to be classed with the great names of all ages John Albrecht Walz

Germinie Lacerteux (French Classics) Edmond De Goncourt,2015-01-06 In his will Edmond de Goncourt 1822 1896 left a bequest in honor of his brother Jules de Goncourt 1830 1870 to establish and support a French literary salon the Academie Goncourt and later the famous Prix Goncourt an award that to this day remains France s most significant literary prize The Goncourt brothers who co authored a series of novels on social themes were among the founders of literary Naturalism in France Emile Zola would emerge as this movement s most important representative in his cycle of novels Les Rougon Macquart Among the novels co written by the Goncourt brothers Germinie Lacerteux 1865 is especially noteworthy The double live of the novel s Parisian domestic servant who is ground down and destroyed by the conditions she lives in but who for decades keeps these conditions hidden from her employer continues to captivate book lovers in France and the rest of the world to this day **Colas Breugnon (A Burgundian Story; French Classics)** Romain Rolland,2015-01-06 Colas Breugnon is a charming romance of life in Burgundy three hundred years ago It is an autobiographical novel the story being told in the first person by Colas who reviews his fifty years of life and describes all its joys and sorrows The story is gay and humorous and full of wise observations about life Colas Breugnon is the jovial Burgundian the lusty wood carver the practical

joker always fond of his glass the droll fellow Before everything Colas Breugnon is a free man He loves his king but only so long as the king leaves him his liberty he loves his wife but follows his own bent he is on excellent terms with the priest of a neighboring parish but never goes to church he idolizes his children but his vigorous individuality makes him unwilling to live with them He is friendly with all but subject to none he is freer than the king he has that sense of humor characteristic of the free spirit to whom the whole world belongs From the artistic point of view Colas Breugnon may perhaps be regarded as Rolland s most successful work This is because it is woven in one piece because it flows with a continuous rhythm because its progress is never arrested by the discussion of thorny problems It is written throughout in the same key The first sentence gives the note like a tuning fork and thence the entire book takes its pitch Throughout the same lively melody is sustained The writer employs a peculiarly happy form His style is poetic without being actually versified it has a melodious measure without being strictly metrical This work is unlike any of Rolland s other writings It is not an historic study a critical appreciation a philosophic essay nor yet even in the strictest sense of the word a novel It is rather a volume of reminiscences as told by a man of fifty and the very aimlessness with which this man talks is in itself a pleasure for Breugnon is himself the one subject of the book holding our attention by the display of a wayward sympathetic and aggressive personality Stefan Zweig *International Trade Resources Guide* ,1999
