**The Parent Revolution** Dr. Corey A. DeAngelis, 2024-05-14 From the leader of the online army in America's parental rights movement comes the real story of how moms and dads across the country are turning the tide against radical activists in public schools It's no secret that our government run public education system has held generations of Americans hostage The teachers unions the government's stormtroopers have been hard at work running a mass misinformation campaign to convince parents that because this is how it has always been this is how it has to be But here's what you may not realize the parents are winning and we have entered the death spiral of the education dictatorship The school choice revolution is here and moms and dads are successfully restoring parental rights in education one state one school district at a time In The Parent Revolution Dr Corey A DeAngelis public enemy 1 of the teachers unions takes readers inside this movement like no one else can As Vox reported in late 2023 DeAngelis has become the public face of the effort traveling from state to state holding rallies making media appearances and tweeting constantly Or as another education voice put it No one in education policy advocacy or activism has ever lived rent free in more heads at once than Corey DeAngelis As America's most prominent and influential advocate of school choice DeAngelis unapologetically argues why parents and political leaders must lean into the culture war taking place in schools He exposes the hypocritical elites who are content to hold other people's children captive to poorly run government schools while sending their own children to the best private and charter schools out there And most importantly he equips readers with the ability to make sure the potent forces of the educational industrial complex don't regain their footing
