INTRODUCTION

This manual is intended for the service technician who is seeking information about maintenance and service replacement parts. It contains a section on troubleshooting which will enable a qualified technician to locate and solve problems which may occur.

OPERATOR INSTRUCTIONS

This manual does not contain operator instructions. Operator instructions are sent with each truck. Additional copies can be ordered if required. These booklets are for you and your personnel to insure years of safe, trouble free operation of your Crown LR Truck. For operator instructions, refer to Crown publication, "Operator Manual WP2000 Series" (PF 12766).

DRIVER TRAINING

Crown has evaluated a complete series of Driver Training programs, in two parts concerning basic safety rules and operating characteristics of your truck. To obtain this information, ask your Crown Dealer about "It's up to You" and "You and Your Truck".

SERVICE TRAINING

Complete Service Training is available to the lift truck technician covering all Crown LR Trucks, wire guidance, hydraulic and electrical systems. To obtain more information concerning service training, contact your Crown Dealer.

REPLACEMENT PARTS

When ordering replacement parts from this manual, always specify, along with the part number, the model and serial number of the truck. This information will further enable us to give correct, fast and efficient service.

For Series WP2000 capacities, technical information and dimensional specifications, please refer to the following series literature:

WP2000 Series Literature	SP 12808
WP2000 Series Specifications	SP 12809

Copies of publications can be obtained from your Crown dealer or by writing to:

Crown Equipment Corporation
44 E. Washington Street
New Bremen, OH 43060

This manual is arranged according to major sections. The first part of the page number, found at the bottom of each page, denotes the section in which a particular form will be located. The third portion of the manual covers the written maintenance. The last portion covers replacement parts. The sectional descriptions are as follows:
