Intimacy on the Internet Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy

Schizophrenia J. Michael Mahoney, 2010-08 Man has long searched for the cause and meaning of mental illness This book attempts to answer those questions The author compiler has spent 36 years investigating these problems and his conclusion is that severe unconscious bisexual conflict and confusion lie at the root of all mental illness as difficult to comprehend as this idea may be The book itself consists of 639 quotations from a variety of sources all of which point to the unshakable truth of this hypothesis This is a fixed law of nature unassailable and constantly operative in every case No other species but man is afflicted with mental illness because no other species has either the intellectual power to repress their sexual feelings nor the motivation to do so The disease we call schizophrenia is but an arbitrary name which is used to designate the end stage of a process beginning with a slight neurosis The more severe the bisexual conflict and confusion in the individual the more severe the degree of the mental illness which is experienced Several other investigators in the past have reached this same conclusion but unfortunately their wisdom went largely unheeded Hopefully this book will remedy that ill advised neglect

Human No More Neil L. Whitehead, Michael Wesch, 2012-08-15 Turning an anthropological eye toward cyberspace Human No More explores how conditions of the online world shape identity place culture and death within virtual communities Online worlds have recently thrown into question the traditional anthropological conception of place based ethnography They break definitions blur distinctions and force us to rethink the notion of the subject Human No More asks how digital cultures can be integrated and how the ethnography of both the unhuman and the digital could lead to possible reconfiguring the notion of the human This provocative and groundbreaking work challenges fundamental assumptions about the entire field of anthropology Cross disciplinary research from well respected contributors makes this volume vital to the understanding of contemporary human interaction It will be of interest not only to anthropologists but also to students and scholars of media communication popular culture identity and technology Passive and Active Measurement Thomas

Karagiannis, Xenofontas Dimitropoulos, 2016-03-23 This book constitutes the proceedings of the 17th International Conference on Passive and Active Measurement PAM 2016 held in Heraklion Crete Greece in March April 2016 The 30 full papers presented in this volume were carefully reviewed and selected from 93 submissions They are organized in topical sections named security and privacy mobile and cellular the last mile testbeds and frameworks web DNS and routing IXP and MPLS and scheduling and timing Newsrooms and the Disruption of the Internet Will Mari, 2022-02-03 Newsrooms

and the Disruption of the Internet is an insightful account of what happened when the internet first arrived in the 1990s and early 2000s in the recently computerized but still largely unchanged newspaper industry Providing a focused narrative of how the internet disrupted news collection editing presentation and dissemination the book examines the role of the internet from helpful adjunct to extension to eventually successor to the traditional print product Experiments by large national newspaper brands and other first adopters in the 1990s are described tracing the slow adoption of the internet by chains and

large metro papers followed by the smaller daily and weekly newspapers by the early 2000s The book describes the changes that arrived as more Web 2.0 technologies become prevalent and as social media shifted the news media landscape in the mid to late 2000s ultimately changing how most people in the West consumed and thought of the news This book is intended for academics and researchers in the fields of journalism studies history of technology and media studies especially those interested in transitions from analog to digital technology and the initial adoption of the commercial internet

[The College Roommate from Hell](#) Linda Fiore, 2009 Every year more than 500,000 new students join the ranks of American college students and a good percentage of them stay in student housing For those who do not stay in student housing it is almost guaranteed that you will have a roommate at some point in your college career it's a rite of passage But for someone who has lived with their parents in their own room for 18 years having a college roommate can be an entirely new experience especially if that roommate is the roommate from hell When living in a dorm you have almost no choice as to who you live with It could be the nicest person in the world or the your worst enemy It is that horrible roommate who can ruin your college experience unless you know how to deal with them This comprehensive guide to everything bad in a roommate is designed to show you how to do just that providing you with a detailed plan to take on confront and handle your problem roommate You will learn what you should honestly expect from a roommate on the first day and how to tell if part of the problem might arise from you Learn how to know if your personality types are too different and what you can do to alleviate the stress this might cause Outlined in detail are common cultural and social differences and multi-step plans for handling each one of them For those that have issues with confrontation a special chapter designed to walk you through a calm conversation will help you bring up those concerns that have been nagging at you for weeks Information on the biggest problems you might encounter with your roommate have been gathered through hours of interviews with college students both new and graduated Topics such as a roommate using your personal stuff not cleaning their share staying up too late making too much noise being rude or moody neglecting to pay their share of the bills bringing over too many house guests and dozens more of the most common problems college students encounter with their roommates every year are discussed in this book Tips for each and every one of these issues and a

special chapter on successful communication with a stubborn friend will help guide you through the harrowing maze of trying to fix your roommate from hell You will learn when a problem roommate may actually have a real problem and how you can help them deal with it Finally if things just are not working out you will learn how you can get help dealing with your roommate and even how you can move out if necessary If you are pulling out your hair and agonizing over one too many late nights or moldy quarts of milk kicked under your bed this book is exactly what you have been looking for Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed

Journalism in Context Angela Phillips, 2014-09-15 Journalism in Context is an accessible introduction to the theory and practice of journalism in a changing world The book looks at the way in which power flows through media organisations influencing not only what journalists choose to present to their audiences but how they present it and then in turn what their audiences do with it Using examples from across the world as well as from her own research Angela Phillips uses them to explain complex theoretical concepts She invites readers to consider how news is influenced by the culture from which it emerges as well as the way it is paid for and how different countries have approached the problem of ensuring that democracy is served by its media rather than being undermined by it Journalism has always been an early adopter of new technologies and the most recent changes are examined in the light of a history in which although platforms keep on changing journalism always survives The questions raised here are important for all students of journalism and all those who believe that journalism matters

Within Language, Beyond Theories (Volume I) Anna Bondaruk, Anna Prazmowska, 2015-06-18 This is the first volume in a series of three books called Within Language Beyond Theories which focuses on current linguistic research surpassing the limits of contemporary theoretical frameworks in order to gain new insights into the structure of the language system and to offer more explanatorily adequate accounts of linguistic phenomena from a number of the world's languages This volume brings together twenty five papers pertaining to theoretical linguistics and consists of three parts

Red Velvet Underground Freda Love Smith, 2015-09-21 Not only a rock memoir and recipe book but also a poignant work of personal self discovery and the challenges yet joys of parenting Huffington Post Part memoir part cookbook and all rock and roll Red Velvet Underground tells the story of how musician Freda Love Smith's indie rock past grew into her family and food centric present Smith born in Nashville and raised in Indiana is best known as the drummer and co founder of bands such as the Boston based Blake Babies Antenna and the Mysteries of Life Red Velvet Underground is loosely framed around cooking lessons Smith gave to her eldest son Jonah before he left for college Smith compares her son's

experiences to her own meeting Juliana Hatfield and starting the Blake Babies touring in Evan Dando's hand-me-down station wagon and crashing with Henry Rollins who introduced the band to local California fare all while plumbing the deeper meanings behind the role of food cooking and family Interspersed throughout these stories are forty-five flexitarian recipes mostly but not exclusively vegetarian such as red pepper cashew spread spinach and brazil nut pesto and vegan strawberry cream scones Throughout the book Smith reveals how food in addition to music has evolved into an important means for creativity and improvisation Red Velvet Underground is an engaging exploration of the ways food and music have informed identity through every stage of one woman's life These are sweet unsentimental scenes from the ever-evolving life of a woman of many shifting and balancing roles mother wife drummer student teacher friend daughter food enthusiast It's all tied together with tantalizing recipes that have been lovingly improvised and tweaked into a life-affirming doneness Juliana Hatfield musician
