★ UNPAID Intern Needed for Insane Human Bent on World Domination (None)

Image 1 of 21

compensation: Experience in Growing/Marketing a Personal Brand
 employment type: part-time
 internship

Good, you saw that this is unpaid and you still decided to open it. We're starting off on the right foot.

I'm not sure what the other ads for unpaid internships say because I don't have time to read through that crap, so I'll tell you a little about my story and if my message and my voice resonate with you then we're getting somewhere. If you just shoot me an email without reading below I will know and you'll just be wasting your time.

My name is Rick - though I'm known as Rick Tastic by many. Not enough to accomplish what it is I am going to, mind you, but that's why I'm here and potentially why you are now reading this. I was born in New York, raised in Florida, and received my B.S. in aerospace engineering from Auburn University back in 2009. I spent the first 4 years after graduation in San Diego working for one of the top defense contractors in the world until I fell in love, went to Vegas to celebrate my 27th birthday with a few dozen friends, and then proceeded to leave my respectable engineering position after a 5-day bender fueled by Amnesia, molly, and cocaine.

"How?" you ask?

Why, obviously by getting blown out of my mind and then sending my boss no less than 6 emails from 9pm to 2am on a Monday night telling him I wasn't returning to the office, but that he was still invited to the wedding and that I love him. I never looked back, and while I had a grand plan for my life back then, life has a funny way of shutting on your plans when you "think" you have the perfect life.

So 8 or 9 months later I returned to engineering and spent the subsequent 2.5 years trying to force myself into this happy little box of what society expected of me, until I once again outgrew that box, burned it to the fucking ground, got a picture of it on Instagram, hashtagged the fucked out of it, and flew to Mexico on a one-way flight this past April in order to make any way down through Latin America before eventually hopping over one of the ponds to continue my journey around the world.

I do not plan to return to the States until I've made my way around the planet at least once, earned enough money to pay off all my debt back home, and have figured out what engineering problem I'm going to spend the rest of my life trying to solve. Think Elon Musk trying to colonize Mars, but bigger.

"If people aren't laughing at your dreams then they're not big enough."
 - Garyson Marshall

So, why do I need YOU?

Up until recently I had been documenting the past 7 years of adventures and misadventures in my life by written word - my blog, longform Facebook posts, and the occasional Instagram post (I used Twitter and Snapchat as well, but not for written updates). It was manageable, but my audience has been slow to grow. So I decided to start producing content for my YouTube channel and podcast and now I am finding it damn near impossible to create polished content on a daily basis while still focusing on growing my audience AND engaging my current audience, not to mention I haven't even resumed writing my e-book or autobiography since I left the States.

I need help.

I can create my content, engage my audience, and do some of the growth work, but I need you to:

- 1) Put the finishing touches on my posts and upload/publish them to my blog, Patreon, Medium, YouTube, etc
- 2) Work with me to grow my social media presence (Facebook, IG, YouTube, etc) via genuine engagement, regularly scheduled content, branded content, influencers, etc
- 3) Love me

Ok, so number 3 might sound like I'm asking too much, but I can tell you a couple things: I have a polarizing personality so you will either love me or hate me after getting to know me (do a Google search for Rick Tastic to get an idea for what you'll be dealing with), and if you don't love me and my brand then why the fuck would you want to work for me?

In addition, the responsibilities above are fluid (except for loving me) so they will change as the brand, content, and audience grow. If you understand the basic premise of what I'm asking of you then I can elaborate on the daily actions you'll be taking when we speak over Skype.

So, what are the expectations of the position aside from the responsibilities I listed above?

- You will work 6 hours a day, 3 days a week. Hours are flexible as long as you get the shit done that I don't have time for.
- Regular contact via iMessage/WhatsApp/email/social media and the occasional Facetime/phone call just to catch up, have a beer, and make sure you're enjoying yourself and learning something, and I will not contact you for work-related matters outside of working hours unless there is an emergency (there is basically never an emergency) or I want to schedule a meeting/call (also rare).
- You will be free to do as you please after the first 2-4 weeks. If we get along and you understand my message, my goals, and the expectations I will have no reason to tell you what to do or demand you do something a certain way.
- You are open to feedback. This is new for me so there will be a learning curve for both of us - I may take back certain responsibilities so I have more control over them while giving you other responsibilities I no longer want/need/care of, shit like that - but if you know how to receive constructive feedback, adjust to change, and maintain a conversation as an adult without emotions getting involved then there should be no problem.

Lastly, if you are a stellar individual, you're in love with the brand, and we can grow this shit show to even a tiny fraction of its eventual success I will be able to compensate you, though at this point that is months and months away.

With that said, if you've reached this point you're probably as crazy as I am so shoot me an email and in the subject line copy and paste the quote I used by Garyson Marshall in the first half of this ad - if you don't believe that quote you also have no business working for me.

- Principals only. Recruiters, please don't contact this job poster.
- do NOT contact us with unsolicited services or offers.
- OK to highlight this job opening for persons with disabilities.
