The Design of Sites Douglas K. Van Duyne, James A. Landay, Jason I. Hong, 2007 Using patterns to help Web designers develop a site that attracts visitors this text reveals ways to understand customers and their needs and ways to keep customers involved through good design **The Games People Play** Albert Wang, **The Hockey Stick Principles** Bobby Martin, 2016-05-24 In *The Hockey Stick Principles* author Bobby Martin shifts his focus away from all the hype about rapid growth and the pursuit of funding and instead takes a look at the real process behind getting a good idea off the ground. Many business books fuel unrealistic notions about what a good idea looks like how fast a founder should attract investment and how quickly growth will take off. The problem with this mythology is that it can sometimes end with entrepreneurs abandoning their dreams too soon if they don't see immediate results. Using a hockey stick as a metaphor and highlighting four key phases Martin shows the healthy way a business should grow and uses entertaining stories and interviews with successful entrepreneurs like the founders of LendingTree, Under Armour and iContact woven throughout the book to not only share a wealth of advice but to chronicle the ins and outs of these different phases: The Tinkering Period The tip of the stick or the time when you first develop and hone your idea The Blade Years The formative years when growth can be flat and navigating the unpredictable process of creating a company can be rocky The Inflection Point The crucial point in time right before your business takes off when it's important for entrepreneurs to prepare and make decisions to properly manage rapid growth Surging Growth Once your company proves that they have potential you need to optimize that growth and scale up in a sensible way Innovation almost always involves a number of challenges misdirections and uncertainty and can take several years of struggle. But *The Hockey Stick Principles* gives aspiring entrepreneurs and those in the midst of the messy process a realistic human and inspiring understanding of what starting an innovative business is like while teaching you what to look out for along the way as you shepherd your business through to success **The Ten Toe Express: A Daily Journal of a 5,000 Mile Hike** Matt Gregory, 2021-07-19 This is the daily journal of Matt Gregory's 5,000 mile hike from Bellingham Washington to Key West Florida. He left Bellingham on September 1st 2006. Author's Note This book is the unedited journal I kept on the hike. Sometimes I went days without seeing a computer and wrote them in a notebook. Once I finally saw a computer it was usually a mad dash to update each journal entry in a fixed amount of time at libraries internet cafes and people's houses. I made one pass fixing a few spelling errors but decided to keep everything else as is. To me it keeps the essence of the journal alive. Most journal entries were written in a hurry while I was tired and pressed for time. Thank you for taking the time out to give this a read. I will finish the memoir soon *Aleecia #2* Maggie Wells, 2015-12-15 Aleecia is 15 years old living in Fort Pierce Florida. She can't believe it when Kyle the 18 year old captain of the football team falls for her. She would do anything to keep him even have sex without a condom. Transforming Newsrooms Jonathan Groves, Carrie Brown, 2020-10-27 Transforming Newsrooms offers a practical guide to navigating structural and culture change for news organizations facing economic disruption in today's rapidly changing media landscape Even when the need for change is obvious the best ideas and intentions are often not followed by successful execution This book offers a road map for understanding the obstacles to change in news organizations and how to overcome

them Providing a detailed overview of the ways in which news processes and routines are being fundamentally altered to meet new demands for multimedia interactivity and immediacy the book offers tips to help news organizations better serve communities by understanding what information people need and how they want to engage and collaborate The book also features a variety of case studies and examples from news organizations of all kinds including a 10 year in depth investigation of the Christian Science Monitor the first national news organization to stop its daily presses for a digital report Transforming Newsrooms is an invaluable resource for students and media professionals alike demonstrating how to make research on organizational change actionable and help build a more equitable journalism model that will survive and thrive when we need it most

Miami Jones Toes in the Sand Collection, Books 1-4 A.J. Stewart, 2015-04-23 The first four novels in the USA Today Bestselling series reviews are calling A five star romp by one of the best mystery writers around This omnibus edition contains the first FOUR books in the Miami Jones series with over 1200 pages of fun mystery and a good dose of Florida sun Meet MIAMI JONES New England transplant private investigator and lover of palm tree print shirts Join Miami and his band of friends and associates as their quiet drinks under the palapa at their local Florida bar are interrupted by cases that only the Miami Jones can solve Stiff Arm Steal The prize possession of former football hero part time media personality and full time blowhard BJ Baker has been stolen from his palatial Palm Beach home Baker has called in the Mayor the police the sheriff and everyone else he can co opt into the search But if he really wants the person who can find it one name keeps coming up Miami Jones Problem is he can t stand Jones And the feeling is mutual Miami takes on a jealous husband a feisty ex con and a police detective desperate to claim everyone else s 15 minutes of fame and he finds that Florida is home to so many retired athletes he could start a pensioner football league But can Miami hunt down the culprit before they graduate from theft to something far more deadly Offside Trap A university president with delusions of grandeur A property developer with mob ties A crooked politician fast tracking projects for cash Just another day in South Florida When Miami Jones is hired by an old college friend to investigate the drug overdose of a star student athlete he is thrust into the dark intersection of academia politics and the Miami drug world where he finds himself fighting to not just solve the crime but to save those he loves most High Lie Miami Jones knows that South Florida has its fair share of sharks and not all of them live in the ocean When a young boy is dumped in the water off the coast Miami goes looking for answers What he finds is a world of crooked bookmakers slick Las Vegas Casino moguls and a desperate band of brothers playing a forgotten sport Forgotten by everyone except the person who wants the players dead Miami takes Florida sliding down a sinkhole rather personally so now he ll stop at nothing to prevent the circling sharks from consuming his beloved home Dead Fast To most people Jamaica is sun sea and rum drinks by the pool But Miami Jones and Danielle Castle don t vacation like most people After witnessing an assault on a young man in Montego Bay Miami and Danielle are hired to protect a young athlete with Olympic dreams But there are lots of athletes with those dreams and not all of them play by the rules Miami and

Danielle find themselves up against corrupt officials athlete managers with a kit bag full of dirty tricks and a local police force that might be in it up to their necks In a paradise where running fast is the national pastime Miami and Danielle must go at full throttle to protect their client and help him hit the finish line alive First four books in the humorous mystery series Intrigue on the beaches of Florida and on the islands of Caribbean Fun for lovers of private investigators Series praise strong unstereotyped and engaging Kirkus Reviews a well balanced mix of intrigue dry humor and wit Manhattan Book Review Robert B Parker meets Carl Hiaasen Bookbub Stiff Arm Steal is a rollicking good read San Francisco Book Review

Pandemics and Resilience: Lessons we should have learned from Zika David M. Berube, 2023-05-05 The aim of the book was to produce the most comprehensive examination of a pandemic that has ever been attempted By cataloging the full extent of the Zika pandemic this book will be the most complete history and epistemic contextualization ever attempted to date The work should function as the primary source for students researchers and scholars who need information about the Zika pandemic This book examines the technical literature digital and popular literature and online materials to fully contextualize this event and provide a bona fide record of this event and its implications for the future It is somewhat serendipitous that while this work was underway we are going through another pandemic One of the primary lessons we did not learn by Zika was pandemic events will return repeatedly and we need to learn from each one of them to prepare the planet for the next one Just because Zika seemed to have died out does not make it less important We were lucky that the virus evolved into what seemed to be a less virulent version of itself and the vector mosquitoes were concentrated elsewhere Finally this book represents a tour de force in scholarship involving nearly 4 000 sources of information and does not shy from a detailed examination of the controversies conspiracies and long term consequences when we avoid learning from outbreaks such as Zika
