Created to Be His Help Meet Debi Pearl, 2014-10-27 *Created to Be His Help Meet* first published 10 years ago has sold over 500 000 copies in 12 languages I am amazed reading the testimonies of woman in England India Saudi Arabia China Australia and many other countries as they share how their marriages have been saved and enriched through these biblical truths Over the years I have learned from these many women and responding to their cries for help have added TWO NEW CHAPTERS and other small revisions to address their needs One of the new chapters is called Servant or Servitude There is a difference One is godly the other devilish Did we fail to make that distinction clear enough the first time around Some have indicated such So we tackled the subject head on May God continue to bless you as you read and obey the wonderful words of God

Wild Faith Talia Lavin, 2024-10-15 The Christian right has been threatening American plurality for decades and its influence is on the rise In *Wild Faith* Talia Lavin thoroughly chronicles how this reactionary force is spreading through the US political system and sounds a clear alarm Christian nationalism is a growing danger to democracy To fully understand the peril at hand you must read this book which is both an investigative triumph and a warning David Corn author of 1 New York Times bestseller *Russian Roulette* and *American Psychosis* An investigation into the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won't stop until it's refashioned America in its own image In *Wild Faith* critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In *Wild Faith* Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens
