tracing its evolution from the days of slavery and Jim Crow to the present era of mass incarceration. It exposes the stark truth of a system plagued by systemic biases and inequities where justice is often a mirage for those bearing the brunt of societal prejudice. *Injustice and Justice for All* paints a vivid picture of the myriad ways in which race continues to shape the outcomes of justice. From the discriminatory application of stop and frisk policies to the disproportionate representation of people of color in prisons, the book lays bare the insidious nature of racial profiling and its devastating impact on communities of color. The book also shines a light on the harsh realities of the school-to-prison pipeline, a system that funnels countless young people, particularly those from marginalized backgrounds, into a life of crime and incarceration. It examines the devastating consequences of criminal convictions, shedding light on the collateral consequences that extend far beyond prison walls, denying individuals the opportunity to secure employment, housing, and education. With unwavering resolve, *Injustice and Justice for All* demands a reckoning with the deep-seated racial disparities that permeate the justice system. It challenges readers to confront uncomfortable truths, to grapple with the consequences of unchecked bias, and to envision a future where justice is truly blind to race. This thought-provoking book advocates for transformative change, urging readers to embrace restorative justice practices, to dismantle the school-to-prison pipeline, and to abolish the death penalty. It calls for a radical reimagining of the justice system, one that prioritizes rehabilitation, equity, and the inherent dignity of all individuals. *Injustice and Justice for All* is a clarion call for justice, a powerful indictment of a system that has failed to deliver on its promise of equal justice under the law. It is a must-read for anyone concerned about the state of justice in America and for anyone who believes that all people, regardless of race, deserve a fair shot at justice.
