Creation And Blessing A Guide To The Study And Exposition Of Genesis:

Creation and Blessing Allen P. Ross, 1988 Creation and Blessing Allen P. Ross, 1997-02-01 Creation and Blessing is an exceptionally helpful guide for pastors and teachers Its literary exegetical and theological analyses will enrich any exposition of Genesis The author s purpose is to help the reader appreciate the major literary and theological motifs that form the theological ideas in the narratives and to demonstrate how these theological ideas can be developed into clear and accurate expository ideas To accomplish this goal he divides Genesis into more than sixty units discussing each unit s theological ideas describing its structure and synthesizing its message as well as providing an exegetical outline an expository outline and a bibliography

Story of Judah and Tamar Joseph Ng Bak Soon, 2016-11-22 The Story of Judah and Tamar in Genesis 38 is a familiar one in the Christian Bible Nevertheless it is also a controversial chapter in biblical scholarship due to an apparently dissonant narrative In fact most expositions of the Book of Genesis do not waste much ink on this story There are prominent theologians who insist that this episode plays no role whatsoever in Genesis and that it should not even be inserted into the divine record However what is included by the Holy Spirit is not so easily dismissed by the doubts or cleverness of men It is the conviction of this author that the Story of Judah and Tamar properly understood models a reading of Scripture that is consonant with what the church fathers have termed *regula fidei* or rule of faith Such an interpretation upholds a reading tradition pioneered by Jesus the apostles and the church fathers When seen through this canonical prism rather than invoking skepticism this brief but significant account in the divine record should alert Christians to a deep mystery in the divine revelation concerning Gods identity His move and His abiding relevance for present day Christian life living and experience

Jacob and the Divine Trickster John E. Anderson, 2011-06-30 The book of Genesis portrays the character Jacob as a brazen trickster who deceives members of his own family his father Isaac brother Esau and uncle Laban At the same time Genesis depicts Jacob as YHWH s chosen from whom the entire people Israel derive and for whom they are named These two notices produce a latent tension in the text Jacob is concurrently an unabashed trickster and YHWH s preference How is one to address this tension Scholars have long focused on the implications for the character and characterization of Jacob The very question however at its core raises an issue that is theological in nature The Jacob cycle Gen 25 36 is just as much if not more a text about God as it is about Jacob a point startlingly absent in a great deal of Genesis scholarship Anderson argues for the presence of what he has dubbed a theology of deception in the Jacob cycle YHWH operates as a divine trickster who both uses and engages in deception for the perpetuation of the ancestral promise Gen 12 1 3 Through a literary hermeneutic emphasizing the symbiotic relationship between how the text means and what the text means and a keen eye to the larger task of Old Testament theology as literally a word about God Anderson examines the various manifestations of YHWH as trickster in the Jacob cycle The phenomenon of divine deception at every turn is intimately tethered in diverse ways to YHWH s unique concern for the protection and advancement of the ancestral promise

which has cosmic implications Attention is given to the ways that the multiple deceptions some previously unnoticed evoke advance and at times fulfill the ancestral promise Anderson's careful and thoughtful interweaving of trickster texts and traditions in the interest of theology is a unique contribution of this important volume Oftentimes scholars who are interested in the trickster are unconcerned with the theological ramifications of the presence of material of this sort in the biblical text while theologians have often neglected the vibrant and pervasive presence of the trickster in the biblical text Equally vital is the necessity of viewing the Old Testament's image of God as also comprising dynamic subversive and unsettling elements Attempts to whitewash or sanitize the biblical God fail to recognize and appreciate the complex and intricate ways that YHWH interacts with his chosen people This witness to YHWH's engagement in deception stands alongside and paradoxically informs the biblical text's portrait of YHWH as trustworthy and a God who does not lie Anderson's Jacob and the Divine Trickster stands as a stimulating and provocative investigation into the most interesting and challenging character in the Bible God and marks the first true comprehensive treatment of YHWH as divine trickster Anderson has set the stage to continue the conversation and investigation into a theology of deception in the Hebrew Bible

Cook III, Chuck Lawless, 2019-11-15 In *Spiritual Warfare in the Storyline of Scripture* authors William Cook and Chuck Lawless provide a biblical theological and practical study of a topic that is of key importance in the life of every believer

The Fall of Satan Bodie Hodge, 2011-03 Scripture sources taken from the New King James Version and the New American Standard Bible

The Law and the Knowledge of Good and Evil Chris A. Vlachos, 2009-01-01 First Corinthians 15:56 The sting of death is sin and the power of sin is the law is both puzzling and neglected It is puzzling since there appears to be no precursor in 1 Corinthians to the law critical statement found there It is neglected because of its size Nevertheless the short verse offers the opportunity to analyze in a rudimentary state Paul's law sin notion that appears full blown in Romans and the absence of a polemical setting allows scholars to examine a law critical statement issued during a polemical lull In *The Law and Knowledge of Good and Evil* Vlachos weighs attempts to explain the presence of 1 Cor 15:56 in 1 Corinthians and argues that the Genesis Fall narrative where the tempter plied his seductions by way of the commandment provides the theological substructure to Paul's understanding of the law's provocation of sin In doing so Vlachos contends that Paul reaches the historical high water mark of his polemic against the salvific efficacy of the law by locating a law sin nexus in Eden and contrary to some recent perspectives on Paul he argues that the edenicallly informed axiom in 1 Cor 15:56 suggests that Paul's fundamental concern with the law was rooted in primordial rather than ethnic soil While studies of Paul and the law have tended to bypass Eden *The Law and Knowledge of Good and Evil* breaks ground by moving the argument beyond Second Temple Judaism to the Genesis Fall account where the prohibition against partaking of the knowledge of good and evil led to the knowledge of sin

There is little doubt that we are quick in Western culture to follow after idols Why are we so easily led astray Could it be because postmodern thinking has masked idols so that we do not recognize them What if you really are an idolater at heart What can you do to remedy this cultural disease Do you want answers If so then Hollow Gods offers a glimpse into the connections between postmodern culture and its rapid decline into idolatry providing the biblical reasons and solutions to this problem for both your Christian life and church health *A Biblical-Theological Introduction to the Old Testament* Miles V. Van Pelt, 2016-05-31

Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ **An Introduction to the Old**

Testament Tremper Longman III, 2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of An Introduction to the Old Testament integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It's committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study Lessons for the Life of Faith Patrick Mead, 2009-04-09 Out of a sinful and secular world the Lord called Abraham to

live a life of faith This entailed Abraham to leave everything he knew and travel to a land he had never seen Abraham boldly began his life of faith yet he still had moments of hesitation and delay throughout his life It wasn't until Abraham yielded himself fully to the will of God in his life of faith that he received the son of prophecy Isaac and safely brought him through the long journey to the Promise Land Although Abraham is considered the hero of faith he is in no way without his flaws In fact we can learn as much from his flaws as from his virtues In studying Abraham's life we'll notice his struggle to trust God especially when times get tough Every true believer faces conflicts and trials that test our ability to trust God therefore Abraham's life gives us much to glean from concerning the Christian pilgrimage **The Blessing of Abraham, the Spirit,**

and Justification in Galatians Chee-Chiew Lee, 2013-08-12 What has the Spirit to do with the blessing of Abraham and justification This book challenges the common assumption that the Abrahamic blessing and the Spirit are equated in Gal 3:14 and points out how an accurate understanding of the relationship between these two motifs contributes significantly to appreciating Paul's overall argument in Galatians and his theology of justification Even though Paul does not cite Old Testament passages on the promise of the Spirit in Gal 3:14 his arguments are nonetheless deeply influenced by the whole prophetic tradition about the Spirit Most current discussions on the present and future aspects of justification have yet to consider the Spirit's role in the latter Given the renewed interest in Pauline justification this book contributes to this important aspect of the Spirit's role in future justification which needs to be developed further in Pauline and New Testament theology **The Ethnic-Religious Identity of the Ethiopian in Acts 8:26-40** Jongmun Jung, 2024-05-30 This work

examines the background of the Ethiopian eunuch in Acts 8 26 40 For a comprehensive study it utilizes echoic allusion cultural background and narrative criticism It explores the textual tradition of Deut 23 1 8 in Jewish literature with a particular focus on Isaiah s inclusive presentation of eunuchs and foreigners in contrast to the Deuteronomy stipulation for the assembly of the Lord This work also explores the ancient practice of castration the Jewish exiles in Elephantine and Jewish pilgrimage to reconstruct the cultural background of the Ethiopian eunuch Additionally it focuses on Luke s authorial role in presenting the gospel s geographic ethnic and religious expansion to identify the Ethiopian s ethnic and religious identity in the narrative development of the three trajectories The conclusion drawn is that the Ethiopian eunuch cannot be identified as an uncircumcised gentile Instead he is more like an African man of Jewish descent included in the Abrahamic covenant but excluded from the cultic setting of worship in the temple
