Critical Discourse Analysis And Cognitive Science New Perspectives On Immigration Discourse:

Critical Discourse Analysis and Cognitive Science C. Hart, 2010-10-20 This study advances a model for Critical Discourse Analysis which draws on Evolutionary Psychology and Cognitive Linguistics applied in a critical analysis of immigration discourse It will be of special interest to students and researchers with which to explore new perspectives in CDA

Critical Discourse Studies in Context and Cognition Christopher Hart, 2011 Critical Discourse Studies CDS is an exciting research enterprise in which scholars are concerned with the discursive reproduction of power and inequality However researchers in CDS are increasingly recognising the need to investigate the cognitive dimensions of discourse and context if they want to fully account for any connection between language legitimisation and social action This book presents a collection of papers in CDS concerned with various ideological discourses Analyses are firmly rooted in linguistics and cognition constitutes a major focus of attention The chapters which are written by prominent researchers in CDS come from a broad range of theoretical perspectives spanning pragmatics cognitive psychology and cognitive linguistics The book is essential reading for anyone working at the cutting edge of CDS and especially for those wishing to explore the central place that cognition must surely hold in the relationship between discourse and society

Contemporary Critical Discourse Studies Christopher Hart, Piotr Cap, 2014-11-07 CDS is a multifarious field constantly developing different methodological frameworks for analysing dynamically evolving aspects of language in a broad range of socio political and institutional contexts This volume is a cutting edge interdisciplinary account of these theoretical and empirical developments It presents an up to date survey of Critical Discourse Studies CDS covering both the theoretical landscape and the analytical territories that it extends over It is intended for critical scholars and students who wish to keep abreast of the current state of the art The book is divided into two parts In the first part the chapters are organised around different methodological perspectives for CDS history cognition multimodality and corpora among others In the second part the chapters are organised around particular discourse types and topics investigated in CDS both traditionally e g issues of racism and gender inequality and only more recently e g issues of health public policy and the environment This is altogether an essential new reference work for all CDS practitioners

Critical Discourse Analysis, Critical Discourse Studies and Beyond Theresa Catalano, Linda R. Waugh, 2020-09-28 This book explores the problem oriented interdisciplinary research movement comprised of Critical Discourse Analysis CDA and Critical Discourse Studies CDS for scholars teachers and students from many backgrounds Beginning with a Preface by renowned CDA CDS scholar Ruth Wodak it introduces CDA CDS through examples of what its research looks like delineates various precursors to CDA CDS and important foundational concepts and theories and traces its development from its early years until it became established After the relationship between CDA and CDS is discussed seven commonly cited approaches to CDA CDS are outlined including their connections and differences their origins and development major and associated scholars research focus es and central concepts and distinguishing features After a

summary of critiques of CDA CDS and responses by CDA CDS scholars the book provides an overview of its salient connections to other interdisciplinary areas of scholarship such as critical applied linguistics education anthropology ethnography sociolinguistics gender studies queer linguistics pragmatics and ecolinguistics The final chapter describes how scholars use their knowledge of CDA CDS to make a difference in the world

Cultural Linguistics and Critical Discourse Studies Monika Reif, Frank Polzenhagen, 2023-11-15 The present volume explores the meeting ground between Critical Discourse Studies and Cultural Linguistics The contributions investigate culture specific conceptualisations ways of framing and conceptual metaphors in political discourse as well as cultural models cultural stereotypes and stereotyping The individual authors use quantitative e g corpus based approaches and or qualitative methods They address a range of contexts e g Europe the US Japan West Africa and a variety of topics e g migration presidential elections identity food culture concepts of health The papers included in this volume show that ideologies the key concern of Critical Discourse Studies cannot be analysed independently of cultural conceptualisations In a complementary dialectic fashion cultural conceptualisation the central concern of Cultural Linguistics have ideological implications sometimes subtle sometimes very straightforward The present volume thus illustrates that travelling on this meeting ground is a natural and fruitful endeavour for both approaches

The Routledge Handbook of Critical Discourse Studies John Flowerdew, John E.

Richardson, 2017-07-06 The Routledge Handbook of Critical Discourse Studies provides a state of the art overview of the important and rapidly developing field of Critical Discourse Studies CDS Forty one chapters from leading international scholars cover the central theories concepts contexts and applications of CDS and how they have developed encompassing approaches analytical methods interdisciplinarity social divisions and power domains and media Including methodologies to assist those undertaking their own critical research of discourse this Handbook is key reading for all those engaged in the study and research of Critical Discourse Analysis within English Language and Linguistics Communication Media Studies and related areas

Migration and Media Lorella Viola, Andreas Musolff, 2019-03-07 The socio discursive landscape surrounding the migration debate is characterised by a growing sense of crisis in both personal and collective identities From this viewpoint discourses about immigration are also always attempts at reconstructing the threatened home identity of the respective host society It is such attempts at reasserting identity in crisis due to migration that are the focus of the volume Migration and Media Discourses about identities in crisis This four part book explores the representational strategies used to frame current migration debates as crises of identity collective and individual It features fourteen case studies of varying sets of data including print media texts TV broadcasts online forums politicians speeches legal and administrative texts and oral narratives drawn from discourses in a range of languages Croatian English French German Greek Italian Lithuanian Polish Russian Serbian Slovenian Spanish and Ukrainian and it employs different discourse analytical methods such as Argumentation and Metaphor Analysis Gendered Language Studies Corpus assisted Semantics and Pragmatics and

The Oxford Handbook of Cognitive Sociology Wayne H. Brekhus, Gabe Ignatow, 2019-06-26 In recent years there has been a growing interest in cognition within sociology and other social sciences Within sociology this interest cuts across various topical subfields including culture social psychology religion race and identity Scholars within the new subfield of cognitive sociology also referred to as the sociology of culture and cognition are contributing to a rapidly developing body of work on how mental and social phenomena are interrelated and often interdependent In The Oxford Handbook of Cognitive Sociology Wayne H Brekhus and Gabe Igantow have gathered some of the most influential scholars working in cognitive sociology to present an accessible introduction to key research areas in a diverse field While classical sociological and newer interdisciplinary approaches have been covered separately by scholars in the past this volume alternatively presents a broad range of cognitive sociological perspectives The contributors discuss a range of approaches for theorizing and analyzing the social mind including macro cultural approaches interactionist approaches and research that draws on Pierre Bourdieu s major concepts Each chapter further investigates a variety of cognitive processes within these three approaches such as attention and inattention perception automatic and deliberate cognition cognition and social action stereotypes categorization classification judgment symbolic boundaries meaning making metaphor embodied cognition morality and religion identity construction time sequencing and memory A comprehensive look at cognitive sociology s main contributions and the central debates within the field the Handbook will serve as a primary resource for social researchers faculty and students interested in how cognitive sociology can contribute to research within their substantive areas of focus

The Dynamics of Political Discourse Anita Fetzer, Elda Weizman, Lawrence N. Berlin, 2015-08-15 Rethinking Sinclair and Coulthard s sequentiality based notion of the follow up this volume explores its forms and communicative functions in traditional and contemporary modes of communication parliamentary sessions interviews debates speeches op eds discussion forums and Twitter wherein political actors address challenges to their political agenda and to their political face In so doing the volume achieves two major advances First its contributions expand the understanding of follow ups beyond the traditional focus on structural sequentiality considering communicative function as a defining feature of a follow up Second it broadens the understanding of what constitutes political discourse as not being limited to a single discourse but also being able to span multiple discourses of different forms and speech events over time

Metaphor in Socio-Political Contexts Manuela Romano, 2024-05-06 Metaphor studies is a vibrant and fascinating field The present book brings together the work of influential researchers analyzing metaphor empirically from Critical Socio Cognitive perspectives CSCDA The case studies focus on the role of metaphor as a powerful strategy for the creation of specific world views and ideological frames as well as

for their contestation in current crises *Understanding Political Persuasion: Linguistic and Rhetorical Analysis* Douglas Mark Ponton, 2020-04-02 This book builds on the consolidated research field of Political Discourse Analysis and attempts to provide an introduction suitable for adoption amongst a readership wishing to understand some of the principles underlying such research and above all to appreciate how the tools of discourse analysis might be applied to actual texts It summarises some of the work that has been done in this field by authorities such as Halliday Fairclough Wodak Chilton Van Dijk Martin Van Leeuwen and others to provide the would be analyst with practical ideas for their own research Naturally this would not be the first time that such a handbook or introductory reference book has been proposed Fairclough himself recently produced one however his work simply entitled Political Discourse Analysis inevitably includes theoretical insights from his own research The beginning analyst can at times experience a sense of bewilderment at the mass of theoretical writing in linguistics in the search for some practical usable tools I explain a variety of such tools demonstrating their usefulness in application to the analysis of a number of political speeches from different historical periods and diverse social contexts The author's hope is that would be students of political rhetoric of whatever level and from a variety of research areas will be able to pick up this book and find tools and techniques that will assist them in actual work on texts Naturally it is also hoped that they will be inspired to follow up the suggestions for further reading which they will find in the bibliography

Interdisciplinary Studies in Pragmatics, Culture and Society Alessandro Capone, Jacob L. Mey, 2015-07-31 This volume is part of the series Pragmatics Philosophy and Psychology edited for Springer by Alessandro Capone It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers This volume focuses on societal pragmatics One of the main concerns of societal pragmatics is the world of language users We are interested in the investigation of linguistic practices in the context of societal practices praxis to use a term used in the Wittgensteinian and other traditions It is clear that the world of users including their practices their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools The volume includes articles on pragmemes politeness and anti politeness dialogue joint utterances discourse markers pragmatics and the law institutional discourse critical discourse analysis pragmatics and culture cultural scripts argumentation theory connectives and argumentation language games and psychotherapy slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L Mey on societal pragmatics Like an Animal: Critical Animal Studies Approaches to Borders, Displacement, and Othering , 2021-06-17 The contributors of Like an Animal challenge most fundamental concepts in the fields of racism dehumanization borders displacement and refugees that rest on the assumption of humanism They show how we can bend the arc of the moral universe toward justice at the border The goal

of this interdisciplinary collection is twofold First to invite border migration studies to consider a broader social justice perspective that includes nonhuman animals Second to start a discussion if nonhumans maybe refugees of a kind and how humans can address nonhumans interests and needs from the perspective of addressing refugee issues As capitalism and the climate crisis are taking a catastrophic toll on the planet this timely volume exposes the alternative origins of violence that lie at the heart of the planet s destruction

Legal Linguistics Beyond Borders: Language and Law in a World of Media, Globalisation and Social Conflicts Friedemann Vogel,2019-07-31 The world of law has changed in the last decades it has become more globalized multilingual and digital The sections and contributions of this volume continue the interdisciplinary discussion about the challenges of this change for theory and practice of law and for the International Language and Law Association ILLA relaunched in 2017 First the book gives a broad overview to the research field of legal linguistics its history research directions and open questions in different parts of the world United States Africa Italy Spain Germany Nordic countries and Russia The second section consists of contributions about the relation of language law and justice in a globalized world with a focus on multilingual and supranational law in the EU The third section focuses on digitalization and mediatization of the law the last section reports about the discussion at the ILLA relaunch conference in 2017

Representing the Other in European Media Discourses Jan Chovanec,Katarzyna Molek-Kozakowska,2017-11-15 This book deals with the construction of the other in European media at a time when the recently expanded EU is facing new political economic and social challenges The aim of the book is to document the diverse discursive forms of othering ranging from differentiation to discrimination that are directed against various other Europeans in both institutionalized media and such non elite semi public contexts as discussion forums and citizen blogs Drawing on data from British Polish French Czech Italian Hungarian Spanish and Estonian contexts the individual papers investigate how various social groupings regions nations ethnicities communities cultures are discursively constructed as outsiders rather than insiders as them rather than us While most of the papers are grounded in linguistics and critical discourse studies the book will also appeal to numerous other social scientists interested in the interface between language media and social issues
