**Tell Me What to Eat If I Have Inflammatory Bowel Disease** Kimberly A. Tessmer, 2011-12-22 IBD isn't a disease but rather the umbrella term for two major intestinal disorders that might sound more familiar: ulcerative colitis and Crohn's disease. You will quickly learn what IBD is and what you can do to limit the impact of unwanted symptoms. In addition, you'll get dozens of mouthwatering recipes from knowledgeable RDs that will make implementing the nutritional advice a bit easier. It's all nutrition you can live with.
