Kennedy,2019-11-13 We want to live good lives but determining what a good life is isn't easy especially if we want the lives we lead to be ours rather than somebody else's Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that Finding our way requires knowing who we are understanding ourselves and Christians because of their experience with God will understand themselves differently than others in at least some ways Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God human nature forgiveness values and loving well that have important implications for what we do and feel for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well **The Moral Quest** Stanley J. (authentic Christian Morality)* , *Walking with the Full Assurance of Understanding* Sterling Merritt Durgy,2019-10-23 Walking with the Full Assurance of Understanding has been written to provide Christians who are serious about their faith what Paul called the wealth that comes from the full assurance of understanding In its pages readers will find the central truths logic and promise of Christianity necessary for a confident stable and fruitful walk with God No one knew better than John Wesley that it is one thing to know Scripture quite another to understand it Even as a missionary to Georgia well schooled in the faith by a clergyman father a devout mother and his studies at Oxford Wesley remained unaware of the full meaning of Scripture It was understanding that unlocked the power of God's work in his life Given the multitude of negative influences both from secular culture and within the Christian community there has never been a greater need to avoid the false teachings of philosophy popular but mistaken beliefs and poor assumptions The information and insights presented here will enable twenty first century Christians to avoid being carried about by every wind of doctrine by understanding the treasure they have in God Jesus Christ and the Scriptures Book of Jesus Calvin Miller,1998 An
