Fools Neil Simon,1981 Leon Tolchinsky is ecstatic He s landed a terrific teaching job in an idyllic Russian hamlet When he arrives he finds people sweeping dust from the stoops back into their houses and people milking upside down to get more cream The town has been cursed with Chronic Stupidity for two hundred years and Leon s job is to break the curse No one tells him that if he stays over twenty four hours and fails to break the curse he too becomes stupid But he has fallen in love with a girl so stupid she has only recently learned how to sit down

Nichols and May Robert E. Kapsis,2020-10-16 In the late 1950s Mike Nichols 1931 2014 and Elaine May b 1932 soared to superstar status as a sketch comedy duo in live shows and television After their 1962 breakup both went on to long and distinguished careers in other areas of show business mostly separately but sporadically together again In Nichols and May Interviews twenty seven interviews and profiles ranging over more than five decades tell their stories in their own words Nichols quickly became an A list stage and film director while May like many women in her field often found herself thwarted in her attempts to make her distinctive voice heard in projects she could control herself Yet in recent years Nichols s work as a filmmaker has been perhaps unfairly devalued while May s accomplishments particularly as a screenwriter and director have become more appreciated leading to her present widespread acceptance as a groundbreaking female artist and a creative genius of and for our time Nichols gave numerous interviews during his career and editor Robert E Kapsis culled hundreds of potential selections to include in this volume the most revealing and those that focus on his filmmaking career May however was a reluctant interview subject at best She often subverted the whole interview process producing instead a hilarious parody or even a comedy sketch with or without the cooperation of the sometimes oblivious interviewer With its contrasting selection of interviews conventional and oddball this volume is an important contribution to the study of the careers of Nichols and May

Angels, Miracles, and Heavenly Encounters ,2012-06 These inspiring true stories of God s intervention and of heavenly victories over difficult circumstances and opposing forces will strengthen your faith and leave you astounded

Mike Nichols Mark Harris,2022-02-01 One of The Hollywood Reporter s 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People s top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of Pictures at a Revolution and Five Came Back Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with Who s Afraid of

Virginia Woolf and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever. At thirty five he lived in a three story Central Park West penthouse, drove a Rolls Royce, collected Arabian horses and counted Jacqueline Kennedy, Elizabeth Taylor, Leonard Bernstein and Richard Avedon as friends. Where he arrived is even more astonishing given where he had begun. Born Igor Peschkowsky to a Jewish couple in Berlin in 1931, he was sent along with his younger brother to America on a ship in 1939. The young immigrant boy caught very few breaks. He was bullied and ostracized; an allergic reaction had rendered him permanently hairless and his father died when he was just twelve, leaving his mother alone and overwhelmed. The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of more than one cultural universe: the acute powers of observation that first made him famous; the nourishment he drew from his creative partnerships; most enduringly, with May, his unquenchable drive, his hunger for security and status and the depressions and self medications that brought him to terrible lows. It would take decades for him to come to grips with his demons. In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood, Mark Harris explores with brilliantly vivid detail and insight the life, work, struggle and passion of an artist and man in constant motion. Among the 250 people Harris interviewed: Elaine May, Meryl Streep, Stephen Sondheim, Robert Redford, Glenn Close, Tom Hanks, Candice Bergen, Emma Thompson, Annette Bening, Natalie Portman, Julia Roberts, Lorne Michaels and Gloria Steinem. Mark Harris gives an intimate and evenhanded accounting of success and failure alike; the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting, complicated and consequential figures the worlds of theater and motion pictures have ever seen. It is a triumph of the biographer's art.
