Nanninga,2024-01-15 In golf competition foursomes are often played at a high level an example is the Ryder Cup competition between American and British European professionals But foursomes can also be played at a different level of competition In this story set in the 1950s a wealthy publisher in England sponsors a tournament in which teams composed of professionals and sportswriters compete on a links course that was once a vegetable farm The publisher believes that pairing a sportswriter and professional as a team will improve the quality of the reporting about a tournament which the sportswriter is covering There is a cash prize for the professional on the winning team which
