warrior determined to protect the City of Hope from Lucifer's relentless schemes. When the demons gain the upper hand, Anak and his loyal companions are dragged into the depths of Hell, subjected to harrowing trials and temptations that push them to the edge of their endurance. Meanwhile, the angel Miriam escapes captivity and, alone in the forest, she prays fervently to Adonai for guidance, but the answer she receives is as bewildering as it is profound. In a shocking twist, Lucifer himself arrives as a tempter determined to break Miriam's resolve. Yet in an ironic turn of fate, Lucifer faces an unexpected temptation of his own shattering preconceived notions of good and evil. As the boundaries between captor and captive blur, the story crescendos into an astonishing event that redefines the very nature of redemption and forgiveness. With a fast-paced plot, vividly drawn characters, and theological depth, *The Forgiven* explores the eternal conflict between light and darkness, faith and doubt, and the resilience of the human spirit in the face of insurmountable odds. Brandy Marks masterfully balances moments of gut-wrenching darkness with glimmers of hope, creating a tale that is as thought-provoking as it is thrilling. For fans of supernatural adventures woven with spiritual insight and moral complexity, *The Forgiven* promises an unforgettable journey into the heart of a celestial war, one where victory might not look as expected and forgiveness holds the key to salvation.

The Dragons Douglas Niles, 2012-03-13 The final installment in the *Lost Histories* saga. When dragons make war, Krynn can only tremble in the shadow of angry wings. Aurican and Darlantan, mighty serpents of gold and silver, have been nurtured in a world of wisdom, meditation, and sublime faith. However, on the other side of Ansalon, Crematia, a dragon of red inherits the Dark Queen's legacy of betrayal, violence, conquest, and plunder. The advent of a worldwide war sweeps these powerful beings and many more into desperate strife. Battles rage over Krynn with a fury that threatens to annihilate nations and whole races, even dragonkind. As campaigns ebb and flow, generations of lesser mortals come and go, and the great serpents are left to determine the fate of the world. Jeremiah C. Braudrick, 2019-10-18 For anyone who has ever longed for God but always felt like his love was just out of reach for anyone whose messy story has made them feel like a third string player on God's team for anyone whose soul feels beaten, battered, and in desperate need of some healing, C. S. Lewis just may have a remedy. This collection of essays and memoirs delivered by an author whose fundamentalist upbringing painted a picture of a God who was simply impossible to please are written for anyone who has struggled with their spiritual self-worth. After life threw him a few curveballs, he was convinced that the God whose approval he yearned for simply had no use for him. Lewis helped to change that. This story about falling back in love with God takes the reader on a three-year journey in which the author digested just about every word Lewis ever wrote, including many of his classics, his lesser-known writings, and even personal letters he wrote to family, friends, fans, and even children. The memoirs will journey to Lewis's home and favorite pub in Oxford, his office in Cambridge, his church, his gravesite, and more.

The Dragon King's Obsession Kalenka, One of you three will become the Dragon King's wife, said the king. Without even knowing it, this one sentence would change Charlotte's life forever. From a forgotten princess to the wife of the most feared king on earth, The Dragon King, Damien PenDraco. He was ruthless, he was cold-blooded, he was a pure dragon with a scary appearance and skin similar to a snake. Charlotte was the second daughter of the king. Her mother was one of the king's concubines. Her father lost his favor towards her mother, and her. Although Charlotte was a princess, she was never treated as one. They often got bullied and mistreated by the queen and her daughters. When the marriage offer came from King Damien, the palace was in shock. King Damien used the marriage as an excuse so that he could get his hands on the land where the crystal of power could be found. The king couldn't refuse him. Neither of his daughters wanted to marry him. The marriage proposal was the only way Charlotte could be free. In exchange for her mother's divorce from her father and freedom, she started her journey to King Damien's castle. Everywhere is better than this hell, thought Charlotte. King Damien was exactly as described, a real dragon. If you don't want to be my wife, you will work as a servant in my castle, said Damien, looking at Charlotte's rejection. No problem, said Charlotte. When the king learns about Charlotte's immense knowledge of archeology, he offered her the freedom she longed for in exchange for her help in finding the crystal of power. The two of them agreed and started their journey in finding the crystal power, but after finding it, King Damien refused to let her go. You're mine.
