The man in the center is shown from a three-quarter view, looking upwards with his hands clasped. The man on the right is shown from a three-quarter view, looking upwards with his hands clasped. They are all wearing simple, dark robes. The background is a textured, golden-yellow color.

Casey, 2019-11-01 A spiritual journey may take many forms from Dante s descent to the pits of Hell and up the other side to the bliss of Paradise to Pilgrim s progress or even to Billy Pilgrim unstuck in time in Vonnegut s Slaughterhouse Five It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh a petulant prophet to the end Faith can be carried like pennies in the pocket or worn like a coat of many colors Abraham and Moses Mary and Peter all of them carried their faith and all of them had their doubts Doubt is the companion of faith and the mystery that bonds them together comes out in stories These are stories of faith doubt and mystery Not all who wander are lost **This Monastic Moment** John De Gruchy, 2023-09-28 Kairos is used in the New Testament to signify a pivotal moment in history a critical time of judgement and opportunity where chaos must be faced and one must change their ways before it becomes irreparable Confronted by the Covid 19 pandemic and mandatory isolation John de Gruchy felt a similar need to adapt and respond In doing so he found a deepening in his desire for authentic humanity genuine community and the opportunity affirm his conviction that true humanity is rooted in God wisdom and the struggle for justice [This Monastic Moment](#) John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before

we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict \_\_een hundred years a\_er he wrote his Rule continues to tell us to listen wake up and run while there is still light \_is is a time for both contemplation and action prayer and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue

moving account of just how this wisdom practice can accompany each of us as we make the gentle pilgrimage of recovery He guides us through the invention of depression in the mid twentieth century questioning the increasing tendency to medicalize human suffering Based on the insight that Life is the Treatment he offers a thorough and practical approach to our times of personal desolation showing how we can learn to treat ourselves and each other with care and compassion At the heart of this approach is the practice of meditation learned from the Buddha The Desert Fathers and Mothers and from Jesus himself It s a practice which this heartfelt book insists can help you to be depressed which might mean in mourning for exactly as long as you need to be no longer and no shorter Then changed you are brought back to life which is change itself
