The Actors Who Could Have Been James Bond John Fox,2021-11-18 The enduring success of the James Bond franchise has made the casting of a new Bond actor a very big deal in the film and entertainment industry Tabloids and entertainment clickbait sites love nothing more than constantly speculating wrongly of course on who the next Bond actor might be Taking on the part of James Bond is like playing the lead in Hamlet Doctor Who Sherlock Holmes or Batman Others have played the part before you and others will play the part after you Speculation about the next incumbent is therefore inevitable unavoidable and endless It is a constant background hum even when someone else actually has the part More people have walked on the moon than played James Bond Despite the longevity of the franchise the Bond actors themselves remain a small and exclusive club There are however dozens of actors who might potentially have played James Bond through the decades if only fate hadn t intervened In the book which follows we will leave no stone unturned in an attempt to find out how many potential Bond actors there have been since 1962 There is a fascinating alternative cinema universe where the Bond actors are completely different from the ones we ended up with in our own familiar movie dimension In this book we will explore what that alternative James Bond universe might plausibly have looked like

Roger Moore's James Bond - The Retrospective John Fox,2022-11-19 Modern Bond retrospectives lazily tend to almost completely dismiss Roger Moore s tenure as James Bond He is frequently called the worst Bond and his movies are dismissed as Carry On style romps Roger would even make light of this himself The truth is though that Roger was a great Bond Sure he maybe made a couple of films too many and the comedic elements of his films sometimes got out of hand but the Roger Moore years constitute the most fun era of Bond If you sit down and watch one of Roger s Bond films you are guaranteed to have a good time Roger Moore s Bond is Christmas Day afternoon John Barry Ken Adam Lewis Gilbert Carly Simon crazy stunts quips Caroline Munro in a helicopter underwater bases Jaws Jane Seymour the Lotus parachutes jet planes space battles crocodiles ski chases casinos tuxedos double entendres The Roger Moore era of Bond wasn t terrible or embarrassing It was fantastic In the book that follows we shall take a deep dive into the Roger Moore era of Bond and explore his tenure from start to finish We ll assess the strengths and weaknesses of both Roger s Bond and his films but most

of all this book is a celebration of Roger Moore's James Bond and the years he spent suavely karate chopping baddies in a selection of safari suits and cream flares Roger's amazing contribution to the Bond franchise is far too often derided and mocked these days This book will hopefully serve as an entertaining and robust defence of Roger Moore and his incarnation of James Bond

Bond Girls Monica Germanà, 2019-10-03 Since Ursula Andress's white bikini debut in *Dr No* Bond Girls have been simultaneously celebrated as fashion icons and dismissed as eye candy But the visual glamour of the women of James Bond reveals more than the sexual objectification of female beauty Through the original joint perspectives of body and fashion this exciting study throws a new subversive light on Bond Girls Like Coco Chanel fashion's eternal mademoiselle these Girls are synonymous with an unconventional and dynamic femininity that does not play by the rules and refuses to sit still far from being the passive objects of the male gaze Bond Girls active bodies instead disrupt the stable frame of Bond's voyeurism Starting off with an original re assessment of the cultural roots of Bond's postwar masculinity the book argues that
