little idea what she's getting herself into. She must prove herself to the strict coach, the mister, and her teammates make it clear they don't want her on the field. Especially Matteo, the team's star player, who goes out of his way to make Irene unwelcome. No matter how different best friends Adelle and Connie are, one thing they've always had in common is their love of a little-known gothic romance novel called *Moirra*. So when the girls are tempted by a mysterious man to enter the world of the book, they hardly suspect it will work. But suddenly they are in the world of *Moirra*, living among characters they've obsessed about for years. Except all is not how they remembered it. The world has been turned upside down. The lavish balls and star-crossed love affairs are now interlaced with unspeakable horrors. The girls realize that something dark is lurking behind their foray into fiction, and they will have to rewrite their own arcs if they hope to escape this nightmare with their lives.
