Foothold In The Mountain:

Foothold in the Mountain Constance Caruso, 2013-12 A compelling story of a woman's determination and spirit proof that most things are possible with courage a faith that indeed moves mountains and opens doors for others to succeed in the generations that follow At twenty four Connie Caruso was a secretary in a prestigious talent agency It was 1950s Hollywood when the studio controlled its stars Glamour ruled Connie rubbed shoulders with Cary Grant Marlon Brando Judy Garland Clark Gable Grace Kelly et al She lived in a world of fairytales and ambition A clandestine affair with the father of a major celebrity went south when Connie became pregnant He offered to marry her but not before suggesting abortion Fueled by fury she left him after she had a back street abortion Within a few months lonely and depressed Connie invited David an Adonis like beach boy from Santa Monica to move in with her She soon realized her mistake and threw him out Too late she discovered she was pregnant again Against advice from psychiatrist friends and sister she decided to have this baby forging ahead into the unknown She took on the Welfare system in Los Angeles and New York called in markers from friends and implored an old Brooklyn boyfriend Johnny to marry her Nothing worked Hardened by adversity her child became her raison d'être and taught her the power of love This ultimately motivated her to realize her dreams Connie became a media personality with a 15 year run as co host of Frankly Female a groundbreaking talk show on KCAL TV's channel 9 and has accomplished independence and good fortune in more ways than she could ever have imagined Most important she continues to carry the message that there are many footholds in the mountain and many options for happiness Apropos of Something Elisa Tamarkin, 2022-07-27 A history of the idea of relevance since the nineteenth century in art criticism philosophy logic and social thought Before 1800 nothing was irrelevant So argues Elisa Tamarkin's sweeping meditation on a key shift in consciousness the arrival of relevance as the means to grasp how something that was once disregarded unvalued or lost to us becomes interesting and important When so much makes claims to our attention every day how do we decide what is most valuable right now Relevance Tamarkin shows was an Anglo American concept derived from a word meaning to raise or to lift up again and also to give relief It engaged major intellectual figures including Ralph Waldo Emerson and pragmatists and philosophers William James Alain Locke John Dewey and Alfred North Whitehead as well as a range of critics phenomenologists linguists and sociologists Relevance is a struggle for recognition especially in the worlds of literature art and criticism Poems and paintings in the nineteenth century could now be seen as pragmatic works that make relevance and make interest that reveal versions of events that feel apropos of our lives the moment we turn to them Vividly illustrated with paintings by Winslow Homer Henry Ossawa Tanner and others Apropos of Something is a searching philosophical and poetic study of relevance a concept calling for shifts in both attention and perceptions of importance with enormous social stakes It remains an invitation for the humanities and for all of us who feel tasked every day with finding the point The People's Poet John W. Thurman, 2022-02-03 This book is about poetry concerning people my opinions fiction and short stories It is

designed to make the reader think while they are being entertained The different sections of this book were written over many years Like all works it has been a laborious task but at the same time one that I enjoyed writing Many different personalities are contained within this book and I hope that each reader finds enjoyment whenever they read the different sections From Saul to You Sedem Agbemafle,2010-02-18 from saul to you is the purpose for the purposed It is only and only for those who have been sent to root out and to pull down to destroy and to throw down to build and to plant Jeremiah 1 10 KJV It is therefore not for those who are complacent chilling out satisfied and unheeding If you have been appointed to an office a certain platform within the body of Christ and you proclaim your authority over a few or over a thousand make sure for certain Saul is not your covering nor your portion Therefore if the purpose of them who have purposed within their hearts to move for the Lord and their strength their Spirit love and obedience is strong then theirs is life and life more abundantly
