 Berequette,2016-11-30 If you asked me if or why I wanted to write a poetry book a year ago I would have replied Which book  
 Now that I wrote it this is a very easy question to answer First I need to say that I started writing poetry about two years ago  
 because I enjoyed the flow of words moving through my consciousness yet I had little intention of writing a book In fact I  
 wrote as I was getting my inspiration from taking long walks in the middle of nature As I kept writing I started realizing that  
 I needed to have many messages out but the most important one was about that which we call love It is such an  
 overwhelmingly defined word that my humble attempt at describing it became a series of desires just to depict what I was  
 feeling at that moment It is really that simple and complex at the same time Second I began feeling that if I dont write ever  
 so often my entire being is being deprived of this wonderful life force So I kept writing away but not in an organized manner I  
 just wrote about whatever images I was being graced with Third I started realizing how the various poems fit together only  
 recently which is how the idea of publishing this book slowly developed I decided to self publish for reasons of timelinessI  
 needed to present this offering before the year 2000 was over so that the new millennium will start out fresh It felt like the

right thing to do I grouped the chapters based on how I felt we the old souls of this earth and universe need to connect with our own essence within space and time dimensions and with our soul mates Light and love are quintessential concepts yet they are just as real as our physical forms I feel we all blend together spiritually in the end so whats the point of separations Of course this is a personal viewpoint perhaps shared by many others like me in their own unique ways Whether love was in the beginning of our creation whether it wraps around our daily existence whether it blesses us with its healing power what really matters is that we feel it at various points in our lives with a fluctuating degree of intensity Imagine if we could enhance these feelings recreating our core passionately The best of all worlds is enjoying every moment of our lives no matter how our emotions fill it If we embrace this way of approaching life maybe then we can all feel closer to our origin to our energy to divine power to creativity and to guidance And love will belong to all of us will flow through and transcend us in whatever form we choose to interpret it We all need it we all search for it we all give it away and we are all made to exchange it So why not start this very second Thats why I wrote this book     SEASON OF ETERNAL LOVE (VOL-2) authors of the bharat, Anthology SEASON OF ETERNAL LOVE contains marvellous literary work of various authors across the whole Bharat It is a compiled to give a platform to the budding writers of our great nation and help them in coming forward and present their literary work in front of the whole world     *Love Collection* Shohana Islam,2014-04-05 Our life is full of struggled and trouble But we have to fight fight and fight I am also fighting for survive My first greetings to all my readers who read my poems and stories Please help me to survive Its my dream to be a successful author I start my journey till my childhood And still struggling So I need your effort If I get such effort I will be very grateful to all those Thanks from Shohana Islam     Journey to Self "A Being of Love" Katina Williams,2012-02-20 Journey to Self is about finding you the real you outside of ego     *Christian Gospel Hymns* Charles Reign Scoville,1909     *Wonder Hymns of Faith* ,1911     **Southern Lyrics** Robert Paine Hudson,1907     Catalog of Copyright Entries, Third Series ,1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc
