Cymbeline (Folger Shakespeare Library) Illustrated Barbara Mowat, Paul Werstine, William Shakespeare, 2021-10-23 The authoritative edition of *Cymbeline* from The Folger Shakespeare Library the trusted and widely used Shakespeare series for students and general readers *Cymbeline* tells the story of a British king Cymbeline and his three children presented as though they are in a fairy tale The secret marriage of Cymbeline's daughter Imogen triggers much of the action which includes villainous slander homicidal jealousy cross gender disguise a deathlike trance and the appearance of Jupiter in a vision Kidnapped in infancy Cymbeline's two sons are raised in a Welsh cave As young men they rescue a starving stranger Imogen in disguise kill Cymbeline's stepson and fight with almost superhuman valor against the Roman army The king meanwhile takes on a Roman invasion rather than pay a tribute He too is a familiar figure a father who loses his children and miraculously finds them years later a king who defeats an army and grants pardon to all *Cymbeline* displays unusually powerful emotions with a tremendous charge Like some of Shakespeare's other late work especially *The Winter's Tale* and *The Tempest* it is an improbable story lifted into a nearly mythic realm This edition includes Freshly edited text based on the best early printed version of the play Full explanatory notes conveniently placed on pages facing the text of the play Scene by scene plot summaries A key to the play's famous lines and phrases An introduction to reading Shakespeare's language An essay by a leading Shakespeare scholar providing a modern perspective on the play Fresh images from the Folger Shakespeare Library's vast holdings of rare books An annotated guide to further reading
