

DRAGONMANS

Dragonmancers are a rare breed of wizard who have mastered the art of controlling dragons. They are often found in the most remote and dangerous parts of the world, where they have built up a reputation for being the most powerful and feared of all magicians.

The Dragonmancer's power is derived from a unique combination of magic and dragon blood. This blood is passed on from dragon to dragon, and the Dragonmancer is the only one who can harness its power. The Dragonmancer's magic is so powerful that it can control the very elements of nature, and it is this power that makes them so feared.
