D.L. Moody Nancy Drummond, 2015 Outstanding evangelist of his time Infectious personality Part of the Trailblazers biography Series *The Men of the Bible* D. L. Moody, 2017-01-06 A great many people are afraid of the will of God and yet I believe that one of the sweetest lessons that we can learn in the school of Christ is the surrender of our wills to God letting Him plan for us and rule our lives If I know my own mind if an angel should come from the throne of God and tell me that I could have my will done the rest of my days on earth and that everything I wished should be carried out or that I might refer it back to God and let God's will be done in me and through me I think in an instant I would say Let the will of God be done D L Moody Get more books at RevivalPress net **The Works of D. L. Moody, 2017-01-09 One of the brightest signs of the times is that many Christians in our Young People's Societies and churches are observing a Quiet Hour daily In this age of rush and activity we need some special call to go apart and be alone with God for a part of each day Any man or woman who does this faithfully and earnestly cannot be more than twenty four hours away from God The selections given in this volume were first published in the monthly issues of the Record of Christian Work and were found very helpful for devotional purposes They are also a mine of thoughts to light up the verses quoted Being of permanent value it has been thought desirable to transfer them from the pages of the magazine to this permanent volume May they have a helpful ministry leading many into closer communion with God D L Moody GET MORE BOOKS AT REVIVALPRESS NET *The D.L. Day By Day With D.L. Moody Emma Moody Fitt, 1977-06-01 D L Moody rose from obscurity to become one of America's greatest evangelists Why Because he believed the truth of God's Word Short and to the point these meditations in Day by Day With D L Moody reflect the discoveries that changed Moody's life In all 365 verses are treated with devotional comments for each day of the year

The Life of Dwight L. Moody Moody, William R., 2015-08-15 Dwight L Moody February 5 1837 December 22 1899 was one of America's greatest heroes He rose from the poorest of conditions to become one of the most notable spokesman and religious leaders of the 19th century Moody was born in Northfield Massachusetts to a large family His father was Edwin J Moody 1800 1841 who died at the age of 41 leaving the family in difficult circumstances At the time of his father's death Dwight was only four years old At the age of 17 Moody found Christ but being raised in such a poor family he could not find a church willing to receive him as a member until May 4 1856 when he was 19 years old Even then his teacher Mr Edward Kimball said of him I can truly say and in saying it I magnify the infinite grace of God as bestowed upon him that I have seen few persons whose minds were spiritually darker than was his when he came into my Sunday School class and I think that the committee of the Mount Vernon Church seldom met an applicant for membership more unlikely ever to become a Christian of clear and decided views of Gospel truth still less to fill any extended sphere of public usefulness As Moody moved into the ministry he found it an even more difficult task than finding a church Kimball later declared The first meeting I ever saw him at was in a little old shanty that had been abandoned by a saloon keeper Mr Moody had got the place to hold the meetings in at night I went there a little late and the first thing I saw was a man standing up with a few tallow candles around him holding a negro boy and trying to read to him the story of the Prodigal Son and a great many words he could not read out and had to skip I thought If the Lord can ever use such an instrument as that for His honor and glory it will astonish me As a result of his tireless labor within a year the average attendance at his school was 650 while 60 volunteers from various churches served as teachers It became so well known that the just elected President Lincoln visited and spoke at a Sunday school meeting on November 25 1860 see *The Life of Dwight L Moody* by His Son William R Moody Moody's ministry grew to such a point that he became world renowned and was known to bring entire cities to a standstill with his meetings He is said to have led millions to salvation and countless millions looked to him as the greatest leader of their time Moody once said Someday you will read in the papers that D L Moody of East Northfield is dead Don't you believe a word of it At that moment I shall be more alive than I am now I shall have gone up higher that is all out of this old clay tenement into a house that is immortal a body that death cannot touch that sin cannot

taint a body fashioned like His glorious body I was born of the flesh in 1837 I was born of the Spirit in 1856 That which is born of the flesh may die that which is born of the Spirit will live forever The biography The Life of Dwight L Moody by his son William R Moody is the most paramount and thorough on Moody s life ministry and influence and it set the benchmark for all future works about him The 1900 version is the final edition and includes all of the revisions by the author The Methodist Review wrote There cannot be a moment s hesitation in pronouncing this life of the departed evangelist written by his son William R Moody to be beyond question the desirable volume for the purchaser *The Life of Dwight L. Moody* William Revell Moody,2001-06 Moody lived solely for the glory of God and for the spread of the Gospel of Jesus Christ It is the earnest prayer of his family that in this record of his career his life s purpose may be conserved Mr Moody was a born teacher He was also a great learner His capacity for drawing out information from people with whom he came in contact was marvelous Early in his public speaking he would gather around him Bible teachers evangelists and pastors secure their best thoughts on some subject upon which he was to speak and then go directly from such a conference to a meeting to deliver a heart searching sermon the actual material for which he had secured from his friends absorbed and made his own In answer to an inquiry how far a young man was at liberty to use other mens thoughts he replied Always give due credit if you can and if you cant or if you dont want to mention the mans name say Some one has said Dont be afraid of using other mens thoughts The chances are that the man you get it from read it in some other form There is practically very little that is original and its better to give the best of others thoughts than what is poor even if it is original As a preacher D L Moody was much criticized from the standpoint of academic homiletics Nor would any think of defending his preaching method on that ground But the fact that for thirty five continuous years in the centers of culture and of active practical thought in the English speaking world this self taught preacher drew the greatest audiences which have faced any modern speaker on any theme this fact should suggest to teachers of homiletics that possibly they might learn something from him Dwight Lyman Moody 1837 1899 was an American evangelist who toured major American and British cities and founded several educational institutions

Heavenly Destiny Emma Moody Powell,1943-01-01 This volume is the only biography of the life associate of the great evangelist D L Moody The sweet strength of Mrs Moody s life is portrayed here by her granddaughter whose access to letters and records of family and intimate friends gives the book its human interest This book reveals Mrs Moody s share in the destiny of her era describing a period that belongs to any history of the social and religious life of the Western world **D.**
