

# 5 Key Elements of **Cash Handling Management**

**1**

**Stewardship:** Retail managers, cashiers, and any other employees are the stewards of the business.

**2**

**Accountability:** Anyone who handles cash is responsible for following procedures, upholding security, and acting with discretion.

**3**

**Physical security:** Cash counting must be done in secure areas away from the public. Safety deposit box combinations with complex access codes.

**4**

**Segregation of duties:** Different team members responsible for different cash management tasks bring transparency to procedures without jeopardizing security.

**5**

**Reconciliation:** Confirming the amounts of cash counted and transferred and documenting this process will quickly highlight any mismatches and reduce the window of opportunity in which cash may have gone missing.
