The safety decals on the following pages are positioned on your tractor in the locations shown in the drawings below.

These decals are important both for your safety and that of personnel working with you.

We recommend that you study these pages and find the positions of the safety decals on the tractor, checking that their meanings are clear.

Read the instructions below with the tractor drivers that will operate the machine.

When replacing a part with a safety decal attached, make sure that a new (and identical) decal is positioned on the newly fitted part. Keep the safety decals clean and legible with a clean cloth, soap and water.
