Committee on Appropriations. Subcommittee on Agriculture, Rural Development, Food and Drug Administration, and Related Agencies, 2015 **The Promise of Nostalgia** Nicola Sayers, 2020-01-08 The Promise of Nostalgia analyses a range of texts including The Virgin Suicides both the novel by Jeffrey Eugenides and Sofia Coppola's screen adaptation photography of Detroit's abandoned spaces and blogger Tavi Gevinson's media output to explore nostalgia as a prominent affect in contemporary American cultural production Counter to the prevalent caricature of nostalgia as anti future the book proposes a more nuanced reading of its stakes and meanings Instead of understanding it as evidence of the absence of utopia it contends that there is a masked utopian impulse in this nostalgia mode and critical potential in what has typically been dismissed as ideological This book will be of interest to scholars graduate students and upper level undergraduate students interested in contemporary culture cultural theory media studies the Frankfurt School utopian studies and American literature and culture Code of Federal Regulations, 2016 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries *Elizabeth I and Her Circle* Susan Doran, 2015-03-26 This is the inside story of Elizabeth I's inner circle and the crucial human relationships which lay at the heart of her personal and political life Using a wide range of original sources including private letters portraits verse drama

and state papers Susan Doran provides a vivid and often dramatic account of political life in Elizabethan England and the queen at its centre offering a deeper insight into Elizabeth's emotional and political conduct and challenging many of the popular myths that have grown up around her It is a story replete with fascinating questions What was the true nature of Elizabeth's relationship with her father Henry VIII especially after his execution of her mother What was the influence of her step mothers on Elizabeth's education and religious beliefs How close was she really to her half brother Edward VI and were relations with her half sister Mary really as poisonous as is popularly assumed And what of her relationship with her Stewart cousins most famously with Mary Queen of Scots executed on Elizabeth's orders in 1587 but also with Mary's son James VI of Scotland later to succeed Elizabeth as her chosen successor Elizabeth's relations with her family were crucial but almost as crucial were her relations with her courtiers and her councillors her men of business Here again the story unravels a host of fascinating questions Was the queen really sexually jealous of her maids of honour What does her long and intimate relationship with the Earl of Leicester reveal about her character personality and attitude to marriage What can the fall of Essex tell us about Elizabeth's political management in the final years of her reign And what was the true nature of her personal and political relationship with influential and long serving councillors such as the Cecils and Sir Francis Walsingham
