**California Boy** Leo Craton, 2013-03-19 California Boy is a collection of funny stories about growing up in California during the 40s and 50s They relate the adventures odd happenings and unusual events of a youngster in a squirrely and

transient family We moved from town to town and school to school 14 in all I was suspended from grammar school because of the Holy Ghost sank in a canoe in the Newport Beach bay and went on a clamming safari along the West Coast with a young family These and other humorous and upbeat vignettes describe how life was at that time Come with me on a fun filled trip down memory lane when there were no TVs when Rock Roll ruled and Ike was at the top of his game Growing up with a constantly changing cast of characters and whimsical happenings of a past era is an easy read and will make you smile laugh out loud and remember the good old days *California.
