**Called to Be Church** Anthony B. Robinson, Robert W. Wall, 2006-02-15 Biblical scholar Robert Wall and pastoral leader Anthony Robinson here join forces to bring the Acts of the Apostles forward to our time as a resource for congregational renewal and transformation Featuring both careful exegetical study and exciting contemporary exposition the fifteen chapters of Called to Be Church each first interpret the text of Acts as Scripture and then engage Acts for today's church The book dives into many of the most vexing issues faced by the church then and now such issues as conflict resolution pluralism and multiculturalism sexuality money church and state the role of the Holy Spirit and more Enhanced by study questions at the end of each chapter Called to Be Church will lend itself especially well to small group study within congregations Pastors lay readers students and ordinary believers alike will find the book helpful and inspiring **Mission in Action** Martin C.

Salter, 2019-04-18 Missional ethics is concerned with the way in which the believing community's behaviour is in and of itself a witness to the wisdom and goodness of God The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology Martin Salter seeks to address one aspect of that debate namely the missional significance of ethics by conducting detailed exegesis of key biblical texts He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission rather it is an integral part of the church's mission Missional ethics is a theme that arises from the biblical texts and is not imposed on them The church as both organism and institution embody a missional ethic that includes worship justice and charity Word and deed belong together as an integral whole Salter's valuable study concludes by offering a definition of missional ethics **Luke-Acts Improv:**

**The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies **How to Kill Things with Words** David R. McCabe, 2011-10-27 This work studies the literary and socio-discursive contexts of the Ananias and Sapphira episode in Acts as a narrative illustrating the negative ethos of community goods This work examines the dynamics of the Ananias and Sapphira episode in Acts and its role in the narrative of Luke Acts McCabe locates the passage within its literary context and

emphasizes the manner in which it is embedded in a discourse on the life of the Christian community expressed through shared goods Utilizing Speech Act Theory McCabe argues that Peter s words divinely sanctioned directly execute the divine judgment upon the couple This is argued by appealing to the social processes and conventions of language use within the context of a community of goods discourse as present in the Lukan narrative McCabe appeals to the conventions deployed in the narrative world of Luke Acts which undergird the efficacy of prophetic speech to effect divine judgment including the patterns established by prophetic figures in the Scriptures of Israel and Luke s own characterization of Jesus as Prophet King followed by an examination of Luke s characterization of Peter as an apostolic prophetic successor to Jesus deputized to speak on behalf of God McCabe concludes by examining the successful execution of the speech act of divine judgment This is formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS

Robinson,Robert W. Wall,2012-07-20 Following up on their previous volume Called to Be Church The Book of Acts for a New Day biblical scholar Robert Wall and pastoral leader Anthony Robinson here join forces again Featuring both exegetical study and dynamic contemporary exposition each chapter of Called to Lead first interprets the text of 1 and 2 Timothy as Scripture and then engages 1 and 2 Timothy for today s church leaders The book covers many vexing issues faced by church leaders then and now such issues as the use of money leadership succession pastoral authority and the role of Scripture Through it all Called to Lead shows how Timothy remains a text of great value for the church today **The New Day Experience Part II** Daniel J. Coleman,2011-07-08 Daniels second new and exciting book The New Day Experience Part II Using The Shield Of Protection has a major impact on knowing what God did for us in His Son Jesus Christ The Book has major doctrines that will build the reader who wants to advance in their spiritual and natural life Daniel explains in his book the need to come out of ignorance by applying the doctrine that is learned by presenting the Word of God back to God through prayer because God honors His Word which is above His name Psalms 138 2 Daniel uses his past not to boast but to let the reader know that anything that they may go through in life they can still experience joy and forgiveness and continual blessings from God **Spirit Hermeneutics** Keener,2016 How do we hear the Spirit s voice in Scripture Once we have

done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap Jesus Unleashed Ron Clark, 2014-01-03 Luke s narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities **Church as Communion** Philip Kariatlis, 2020-03-20 This book innovatively explores the notion of koinonia for understanding the nature and function of the Church Since the Scriptures assert that the Church is the Church of God God s communal mode of existence is looked at namely God who is a communion of three hypostases relating to one another in an interpenetrating koinonia of infinite love as a way of understanding the very being of the church as communion Such a notion of koinonia far from having anything to do with socio political understandings suggests that it is a foundational gift bestowed from above to the world as the solution par excellence to the impasse of isolationism More often than not however such an ecclesiology of communion has not taken seriously the historical reality of the Church living within the fallen world along with its ceaseless temptations divisions and even sins in history In this way it becomes apparent that a dialectic needs to be acknowledged in the notion of communion as both foundational gift from God and yet one still to be fully realised Accordingly this work shows that the Church is not only as the gift of God s miraculous presence here on earth The Church is also constantly striving to exist epiclestically until such time as it will fully experience the final consummation in Gods eschatological kingdom An examination of this double dimensionality of the Church is undertaken in order to assess if this is in line with the Scriptural witness of the ekklesia Having established the gift goal dialectic in the notion of koinonia in the New Testament Church the study then traces the trajectory of this dynamic approach to koinonia in the Churchs worship and authoritative structures This promises to cast both a deeper light on and a more realistic solution to ecclesiological problems within the life of the Church today allowing

for the Church's constant renewal      **In the Days of Caesar** Amos Yong, 2010-09-14 In the Days of Caesar is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty first century Amos Yong here argues that the many tongues practices and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social political and economic structures of the world Yong has three goals here First he seeks to correct stereotypes of Pentecostalism both political and theological Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self understanding Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice This book's engagement with political theology from a Pentecostal perspective is the first of its kind      The Usefulness of Scripture Daniel Castelo, Sara M. Koenig, David R.

Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this volume include Frank Anthony Spina Andrew Knapp Shannon Nicole Smythe Daniel Castelo Anthony B Robinson Eugene E Lemcio Sara M Koenig Jack Levison Laura C S Holmes John Painter and Stephen E Fowl

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian

theological interpretation of Scripture suitable for the twenty first century global context     Ecclesial Identities in a Multi-Faith Context Darren Duerksen, 2015-01-12 When Hindus and Sikhs become followers of Christ what happens next Should they join Christian churches that often look and feel very unfamiliar to them Or to what degree can or should they remain a part of their Hindu Sikh communities and practices Uncomfortable with the answers that were provided to them by Christian leaders in northwest India six followers of Christ began Yeshu satsangs Jesus truth gatherings that sought to follow Christ and the teachings of the Bible while remaining connected to their Hindu and or Sikh communities Ecclesial Identities in a Multi faith Context analyzes the contextualized practices and identities of these leaders and their gatherings situating these in the religious history of the region and the personal histories of the leaders themselves Whereas Christians worry that the Yeshu satsangs and related insider movements are syncretizing their beliefs and are not properly identifiable as churches Ecclesial Identities analyzes the Yeshu satsang s narratives and practices to find vibrant expressions of local church that are grappling with questions and tensions of social and religious identity In addition to its ethnographic approach Ecclesial Identities also utilizes recent sociological and anthropological theory in identity formation and critical realism as well as discussions of biblical ecclesiology from the book of Acts This study will be a helpful resource for those interested in global Christianity the practices and identities of churches in religiously plural environments and the creative ways in which Christ followers can missionally engage people of other faiths     *Paul's Journey From Tarsus to Rome* Rex D.

Edwards, 2014-04-20 Introducing the apostle Paul you thought you knew until now Feel the heat of the confrontation between Christians and Judaizers in Antioch Sit in the dungeon with Paul and Silas as the earth moves beneath you and iron bars twist open for your supernatural release Travel with Paul to breathe on the fires of early churches igniting to life a gospel that will spread around the world Finally witness his violent and victorious end in Rome Radical Cold blooded persecutor Misogynist Preacher Inventor of Christianity The apostle Paul has been called a lot of names but who was this imposing personality Whether you are a critic or defender of Paul or simply curious about the man whose writings make up the majority of the New Testament you will be fascinated by the results of Edwards research     **False Prophecies about Israel, Babylon, & Armageddon** Steve Wohlberg, 2018-09-10 Today literally millions of people who study Bible prophecy have their eyes fixed upon Jerusalem Right now all over the planet Earth Christians are talking about the modern nation of Israel a future rebuilt Jewish temple and a final bloody battle called Armageddon when hostile nations marshal their forces for war against the Jews Do the climactic end time prophecies of the book of Revelation really focus on the Middle East This book takes a close look at the prophetic ideas of the majority of the Christian world Based solidly on the Bible its message could save your life     An Introduction to the New Testament M. Eugene Boring, 2012-10-13 This thoroughly researched textbook from well respected scholar M Eugene Boring presents a user friendly introduction to the New Testament books Boring approaches the New Testament as a historical document one that requires using a hands on critical method Moreover he asserts that the New

Testament is the church's book in that it was written, selected, preserved and transmitted by the church. Boring goes on to explore the historical foundation and formation of the New Testament within the context of pre-Christian Judaism and the world of Jesus and the early church. He then examines the individual books of the New Testament, providing helpful background information and methods for interpretation and revealing the narrative substructure found within each of the Gospels and Letters.
