, 2001-04 *Strawberry Days* David Neiwert, 2015-01-06 Strawberry Days tells the vivid and moving tale of the creation and destruction of a Japanese immigrant community Before World War II Bellevue the now booming edge city on the outskirts of Seattle was a prosperous farm town renowned for its strawberries Many of its farmers were recent Japanese immigrants who despite being rejected by white society were able to make a living cultivating the rich soil Yet the lives they created for themselves through years of hard work vanished almost instantly after the bombing of Pearl Harbor David Neiwert combines compelling story telling with first hand interviews and newly uncovered documents to weave together the history of this community and the racist schemes that prevented the immigrants from reclaiming their land after the war Ultimately Strawberry Days represents more than one community s story reminding us that bigotry s roots are deeply entwined in the very fiber of American society China Off Center Susan D. Blum, Lionel M. Jensen, 2002-09-30 China Off Center takes as its fundamental assumption that contemporary China can only be understood as a complex decentralized place where the view from above Beijing and from tourist buses is a skewed one Instead of generalizing about China it demonstrates that this diverse national terrain is better conceived as it is experienced by Chinese as a set of many Chinas To that end this anthology of interpretive essays and ethnographic reports focuses on the everyday the particular the local and the puzzling Together with contextualizing introductions the readings provide students with a compelling look at some little known but significant aspects of China from the past decade for those already familiar with China they furnish an assortment of uncommon viewpoints in a single convenient volume Foreword by Prasenjit Duara Contributors A Doak Barnett Susan D Blum Diane Dorfman Mary S Erbaugh Edward Friedman Vincent E Gil Dru Gladney Erwin J Haeberle Lionel M Jensen Andrew F Jones Eric Ivan Karchmer Liu Binyan Dalin Liu Man Lun Ng S Robert Ramsey Dorothy J Solinger Ann Tyson James Tyson Sydney White David Yen ho Wu Li Ping Zhou **Students' Rights and Responsibilities Handbook**, 1986 **Driving Lessons**

Christopher B. Strain, 2025 Driving Lessons A Road Trip through American Travel Literature by Christopher B Strain is a study of American travel literature specifically a reflection on the tradition of the American road trip Strain sets out to understand what makes this custom a prototypically American one who travels and why through considerations of race class and gender Driving Lessons not only contextualizes earlier American travel narratives but also shows how these journeys of national discovery and personal redemption still resonate with readers and scholars The book deftly blends together the story of the author s own four month sojourn in an old van with the analysis of his literary predecessors travel narratives

Catalog of the Police Library of the Los Angeles Public Library Los Angeles Public Library. Municipal Reference Library. Police Division, 1972 **Asian/American Curricular Epistemicide** Nicholas D. Hartlep, Daniel P. Scott, 2016-08-18

In this important book Nicholas Hartlep and Daniel Scott's detailed analyses on both visual and historical representations of Asian Americans in textbooks and teacher manuals used in our elementary and secondary schools poignantly tell us that generations of children are growing up being fed this single story about Asian Americans As Hartlep and Scott write Asian Americans have once again been constructed as the good minority that can succeed on their own and be used as a political instrument to shame the Blacks for their underachievement and their fight for equality Over and over again the media has been telling a single story about Asian Americans to the public for the past fifty years The consequence of this fabricated story is that it discourages others even Asian Americans themselves from believing in the validity of their struggles Linshi 2014 p 1
