Placement Holds

Purpose	To provide guidelines for staff in the utilization of placement holds on foster care facilities, including licensed Foster Family Homes, Foster Family Agency certified homes, and Group Homes. This policy will also provide guidelines for determining changes in placement hold status.
Approved	This policy was approved by Mike Ryan, Director of CFS, on June 4, 2008. Signature on file.
Background	<p>This new policy incorporates information from and replaces Children and Family Services (CFS) Policy and Procedure (P&P) Foster Home Investigation (A-G102).</p> <p>The Placement Coordination Program, Multi-Treatment Transitional Services (MTS) Program, Adoptions Program, and Specialized Family Services (SFS) Program serve as placement agencies for children who are dependents of the Juvenile Court of Orange County. The Foster Care Licensing (FCL) Program and Foster Care Investigations and Monitoring (FCIM) Program assume licensing functions and investigative responsibilities related to Foster Home/Group Home facilities. CFS placement and licensing programs are operated independently of one another.</p> <p>Pursuant to Welfare and Institutions Code 16502.5, the granting of a community care license does not entitle the caregiver to the placement of a specific child or children. Additionally, Welfare and Institutions Code 16500.1 mandates CFS with a duty to care for and protect children placed into foster care. Consequently placement decisions are based on a child's safety, needs and best interests. CFS programs responsible for the placement of dependent children have the discretion to determine how to best</p>
