Feast Of The Holy Family B Readings Quotes:

The Assault on Priesthood Lawrence B. Porter, 2012-07-20 The concept and institution of priesthood in the Catholic Church has been the subject of serious challenge not only since the time of the Protestant Reformation but also more recently from within the Catholic Church as the Second Vatican Council 1962 1965 and theologians afterward have reconsidered the place and function of priests in relation to both bishops and laity In dialogue with those challenges and by means of research into Scripture and the theological tradition patristic medieval and modern the author of this book considers classic images of priests and priestly ministry as a way of recovering an understanding of the priesthood that is at once both biblically and theological sound A Women's Lectionary for the Whole Church Year B Wilda C. Gafney, 2023-07-18 In this project I propose at least two new lectionaries a year W a women's readings year that can be added to the current Episcopal or Revised Common RCL Lectionaries and a new three year cycle How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching More simply what would it look like if women built a lectionary focusing on women s stories How is the story of God told when stories of women s brutalization and marginalization are moved from the margins of canon and lectionary and held in the center in tension with stories of savvy and strong women whose contribution is not limited to or does not even include childbearing There are more than two billion Christians in the world according to the Pew Research Center demographic projections Pew Research Center's Forum on Religion and Public Life Global Religious Landscape December 2012 2 3 billion in 2015 With Roman Catholics making up an estimated 1 2 billion and accounting for Orthodox Christians Anglicans Episcopalians Methodists Presbyterians Lutherans and other Reformed traditions along with some Baptist and congregational churches that use a lectionary the overwhelming majority of Christians receive their scripture mediated through a lectionary Based on the numbers in the Pew Research Center's 12 May 2015 report America's Changing Religious Landscape as much as sixty percent of American Christians attend services in churches that use lectionaries Those lectionaries are not simply as androcentric as are the scriptures but in my experience as a congregant and priest women are even less well represented than they are in the biblical text For example there are one hundred and eleven named women in the Hebrew Scriptures which is itself under represented in preaching lectionaries not accounting for the numbers of unnamed women and girls The lectionary is a catechetical tool All many congregants know of the bible is the texts they hear read from their respective lectionary As a biblical scholar it is my hope to see congregants exposed to the bible more broadly and deeply and see them equipped to engage the sacred texts of their tradition critically with nuance This book will be for use in liturgical contexts in parishes and the institutions of the Church in seminary classrooms particularly worship and liturgy and for individual devotional use **Theotokos** Michael O'Carroll,2000-09-07 The Epworth Herald .1891 The Cottage Bible and Family Expositor William Patton, 1834 A New Family Bible, and Improved Version ...
