Reformed Preaching Joel Beeke, 2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today

Beeke, 2019-07-27 This sixth volume begins with three important works on predestination The first is A Golden Chain which treats the main points of theology with an emphasis on the order of the causes of salvation and damnation The second is A Christian and Plain Treatise of the Manner and Order of Predestination which gives a strident defense of the sovereignty of God in election and reprobation The third A Treatise on God s Free Grace and Man s Free Will examines the responsibility of man and how that harmonizes with the will of God in ordaining all things These treatises showcase Perkins s scholarly and pastoral concerns on matters vital to the salvation of sinners Table of Contents Golden Chain Foldout poster in the front Manner and Order of Predestination Treatise on God s Free Grace and Man s Free Will Fruitful Dialogue Concerning the End of the World Against Alexander Dickson On Memory

Creature of the Word Matt Chandler, Eric Geiger, Josh Patterson, 2012-10-01 The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists When the gospel is rightly declared and applied to God s people the church becomes a creature of the Word She understands embraces and lives out the reality of Christ s birth life death and resurrection in more than her doctrinal statement The gospel impacts all the church is and does Creature of the Word lays out this concept in full first examining the rich scripture based beauty of a Jesus centered church then clearly providing practical steps toward forming a Jesus centered church Authors Matt Chandler Eric Geiger and Josh Patterson write what will become a center ing discussion piece for those whose goal is to be part of a church that has its theology culture and practice completely saturated in the gospel

Encountering God through Expository Preaching Ryan Fullerton, Jim Orrick, Brian Payne, 2017-06-15 Preaching occurs when a holy man of God opens the Word of God and says to the people of God Come and experience God with me in this text Encountering God through Expository Preaching ushers preachers of all levels of experience through the practical steps necessary to preach with power The authors not only cover the exegetical skills and homiletical techniques necessary for sound preaching but they also dive deeper to emphasize how a pastor s character and reliance upon the Holy Spirit are essential to preaching God s word effectively As the preacher encounters God in preaching he will preach with spiritual power and see lives transformed and churches strengthened

The Works of William Perkins, Volume 1 William Perkins, 2014-12-29 The present volume contains three of Perkins s treatises The first is A Digest or Harmony of the Books of the Old and New Testament which offers a synopsis of the Bible that relates sacred history to the chronology of the world Dating God s creation of the universe in 3967 BC Perkins develops his overview of redemptive history that culminates in the final judgment The second treatise is The Combat between Christ and the Devil Displayed Expounding Matthew 4 1 11 Perkins shows how Christ s temptation in the wilderness 1 set Jesus up to serve as the second Adam overcoming Satan s temptation in a way the first Adam did not 2 reveals how the devil assaults the church so that we might be better prepared to resist his temptations and 3 equipped Christ to be a sympathetic high

priest to those who are tempted The third and most significant treatise is A Godly and Learned Exposition upon Christ s Sermon in the Mount Hereof I have chosen to entreat says Perkins because it is a most divine and learned sermon and may not unfitly be called the Key to the whole Bible for here Christ opens the sum of the Old and New Testaments The fact that Perkins saw the Sermon on the Mount as unlocking the meaning of Scripture in its entirety suggests that his understanding of what Christ declares in Matthew 5 7 was pivotal to the development of his theology and piety Series Description The Works of William Perkins fills a major gap in Reformed and Puritan theology Though Perkins is best known today for his writings on predestination he also wrote prolifically on many subjects His works filled over two thousand large pages of small print in three folio volumes and were reprinted several times in the decades after his death However his complete works have not been in print since the mid seventeenth century This modern typeset edition of the Works includes four volumes of Perkins s expositions of Scripture three volumes of his doctrinal and polemical treatises and three volumes of his practical writings

Experiencing the Truth Anthony J. Carter, 2008-06-09 Experiencing the Truth communicates the need of a vibrant experiential Reformed Christianity among African Americans and all believers How does a believer choose a church to attend Sadly too many Christians search for churches that serve them and meet their perceived needs Instead they should prefer places where God is exalted and biblical truth and Christian doctrine are proclaimed Such churches are essential if Christians are to understand what God is doing and what he calls His people to be Experiencing the Truth presents these truths not simply to African American churches but also to the whole church today Anthony Carter Michael Leach and Ken Jones clearly present the need for a vibrant experiential Reformed Christianity among African Americans These authors lay out the biblical basis for choosing and attending a church and they demonstrate how the historic Reformed expression has been the most biblically accurate and experientially consistent expression of Christianity
