Connecting Children with Classics Meagan Lacy,Pauline Dewan,shady radical,2018-03-14 This guide identifies hundreds of books that can help children develop into engaged readers Children s librarians collection development specialists in public libraries as well as K 8 school librarians and teachers will choose from the best in children s titles This unique readers advisory and collection development guide for librarians and others who work with children focuses on readers and their needs rather than simply categorizing books by their characteristics and features as traditional literature guides do Taking this unusual perspective brings forth powerful new tools and curricular ideas on how to promote the classics and how to best engage with young readers and meet their

personal and emotional needs to boost interest and engagement The guide identifies seven reader driven appeals or themes that are essential to successful readers advisory awakening new perspectives providing models for identity offering reassurance comfort strength and confirmation of self worth connecting with others giving courage to make a change facilitating acceptance and building a disinterested understanding of the world By becoming aware of and tapping into these seven themes librarians and other educators can help children more deeply connect with books thereby increasing the odds of becoming lifelong readers The detailed descriptions of each book provide plot summaries as well as notes on themes subjects reading interest levels adaptations and alternative formats translations and read alikes This informative guide will also aid librarians in collection development and bibliotherapy services *The Advocate* ,2004-03-02 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *The Gil Lopez Buddy Network* Rebecca Rees,2008-05-16 The Gil Lopez Buddy Network A Love Story of Living Big and Dying Great by Rebecca Rees My son asked me if I had made my peace with God I told him I didn t know She and I had had a fight Gil Lopez This is the story of Gil Lopez an African American activist and peacemaker and his last years of spirited living healing and dying within a multi cultural community of friends Gil died as he lived with courage and imagination with moxie and music and with his buddies This is a radical musical of a book political and spiritual funny and poignant with a great cast of characters a great love story and Gil s voice singing throughout in his sweet tenor This book is for anyone looking for a way to face death with heart for any community wanting to support a dying friend and for all those who grieve and hope to give meaning to their suffering And this is a book about how to face life with heart how to live big as Gil lived From the introduction If you can envision a radical contemporary Jesus big bellied and brown who loved dancing and football and was surrounded by women instead of men disciples then you can begin to picture Gil Lopez Gil was spiritually larger than life one of the Big Souls who show the way He was a natural leader a man who evolved from a black radical defending his people to a wise peacemaker among all peoples a man with a royal presence and an inherent nobility of character And yet he was completely earthy and unpretentious always ready to laugh at himself and the world always eager to learn from others and to cheer them on in his broad Boston accent I have never met a man so utterly without personal vanity or a sense of self importance and yet so filled with self confidence about his larger mission Gil had a saintly quality of selfless dedication and yet he was also endearingly human We couldn t have stood him otherwise Gil was a big bear of a man and he could be as cuddly as a teddy or as powerful as a grizzly He told great dirty jokes His room was a mess He danced on the tables His hugs were Olympian Both kingly and comforting he reminded me of the fuzzy purple African violets he raised so tenderly He was Our Funny Valentine the most loving and loveable man I have ever known Gil wanted to leave a message to the world It was a message he lived all his life and especially in his last years of healing and dying The message is that with community you can do anything Being with Gil in community as he lived into dying was a transforming experience

for all of us sorrow and suffering that is consciously shared can become almost a blessing I think Gil would want me to add that I need to let folks know that if you are with your buddies you can even have a wonderful time while you're dying The experiences of Gil's last days also gave a clear message to me and others who were close at the bedside that death is merely the doorway to new spiritual adventures Gil lived big and he died big and all our souls got bigger as we made the last journey with our Big Soul Buddy Finally and perhaps most importantly Gil was a great man because he made you feel that you were great and made you want to do great things See the Gil Lopez Community Website at gillopez.net for photographs information about the three documentaries in which Gil was featured and new stories of the lives and work of Gil's buddies

Dismantling Rape Culture Tracey Nicholls, 2020-11-15 This book analyses rape culture through the lens of the me too era Drawing feminist theory into conversation with peace studies and improvisation theory it advocates for peace building opportunities to transform culture and for the improvisatory resources of culture jamming as a mechanism to dismantle rape culture The book's key argument is that cultural attitudes and behaviours can be shifted through the introduction of disrupting narratives so each chapter ends with a culture jammed re-telling of a traditional fairy tale Chapter 1 traces an overlap of feminist theory and peace studies arguing that rape culture is most fruitfully understood through the concept of structural violence Chapter 2 investigates the gender scripts that rape culture produces considering a female counterpart to the concept of toxic masculinity complicit femininity Chapter 3 offers analysis of non-consensual sex and a history of consent education culminating in an argument that we need to move beyond consent to conceptualise a robust respectful mutuality Chapter 4's history of sexual harassment in the workplace and the rise of metoo argues that its global manifestations are a powerful peace building initiative Chapter 5 situates me too within a culture jamming history using improvisation theory to show how this movement's potential can shape cultural reconstruction This is a provocative and interventionist addition to feminist theory scholarship and is suitable for researchers and students in women's and gender studies feminist theory sociology and peace studies
