## Fathers Day Speeches For Church:

Michelle Liza Mundy,2009-04-28 Liza Mundy offers this highly readable thoroughly reported biography of the charming and self possessed woman who could become the nation s first African American First Lady      **On Fathers Day** Megan Norris,2024-12-04 A heartbreaking account of enduring suffering and loss When Cindy Gambino dropped her three boys off at their dad s on Father s Day 2005 she had no idea she would never see them again By day s end their bodies lay at the bottom of an icy dam a tragedy that sparked one of the most controversial and prolonged murder cases in Australian history Award winning author and journalist Megan Norris followed the case for eight years chronicling Cindy s heartbreaking journey through a trial retrial two failed appeals and a 2013 High Court ruling that blocked Victorian father Robert Farquharson s final bid for freedom putting him behind bars for at least the next thirty three years Through exclusive intimate interviews with Cindy and her family and a meticulous examination of the overwhelming evidence before the courts Norris details how two juries concluded Farquharson was guilty of murdering his children This book offers valuable and first hand insight into a crime intended to last a lifetime Told through Cindy s eyes in the aftermath On Father s Day is a mother s legacy to the family she left behind when she passed away in 2022 Updated with an epilogue her heartbreaking story shows that this is a crime that goes way beyond the grave On Father s Day was written by Megan at Cindy s request This book is her voice PRAISE FOR THE BOOK A harrowing deeply compelling narrative that plunges the reader into the dark heart of domestic violence and the unimaginable horror of retaliatory filicide Dr Yvonne Kallane Ph D MA Human Rights MAICD Founder Change the Ending Extraordinary read powerful insights into the widespread patterns of coercive control and profound impacts of enduring trauma Sharon Wilkinson DV Lawyer Cindy s experience and Megan s thorough research provide a devastating confronting and utterly compelling read Dr Deborah Kirkwood Author of Just Say Goodbye The best analysis I ve read of the ultimate act of family violence no other journalist and writer has had the involvement in this case like Norris has Emily Webb Author and podcaster      **Jet** ,2008-07-28 The weekly source of African American political and entertainment news      **Jet** ,2008-07-28 The weekly source of African American political and entertainment news      *Against Civility* Alex Zamalin,2021-02-02 The first history of racial injustice to examine how civility and white supremacy are linked and a call for citizens who care about social justice to abandon civility and practice civic radicalism The idea and practice of civility has always been wielded to silence dissent repress political participation and justify violence upon people of color Although many progressives today are told that we need to be more polite and thoughtful less rancorous and angry when we talk about race in America civility maintains rather than disrupts racial injustice Spanning two hundred years Zamalin s accessible blend of intellectual history political biography and contemporary political criticism shows that civility has never been neutral in its political uses and impacts The best way to tackle racial inequality is through civic radicalism an alternative to civility found in the actions of Black radical leaders including Frederick Douglass Harriet Tubman Ida B Wells

Martin Luther King Jr James Baldwin Malcolm X and Audre Lorde Civic radicals shock and provoke people They name injustice and who is responsible for it They protest march strike boycott and mobilize collectively rather than form alliances with those who fundamentally oppose them In Against Civility citizens who care deeply about racial and socioeconomic equality will see that they need to abandon this concept of discreet politeness when it comes to racial justice and instead more fully support disruptive actions and calls for liberation which have already begun with movements like MeToo the Dakota Access Pipeline protests and Black Lives Matter
