## **Feasts Of Jehovah Foreshadows Of Christ In The Calendar Of Israel:**

Feasts of Jehovah John Ritchie, The seven Old Testament feasts given to Israel are carefully examined to demonstrate how God deals with men and women in grace      **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions      **The Crimson Path** Robert D. Finley, 2016-03-08 Have you ever wondered why John the Baptist introduced Jesus Christ as the Lamb of God Why not introduce Him as the promised heir to the throne of King David Why is a crimson path essential for the plan of redemption This book will answer these questions and take the reader on a journey through the ages This journey will reveal the foreshadows that foretell the redemptive mission of the Lamb of God In this exposition the foreshadows recorded in the Old Testament will be identified and the resemblance of each foreshadow will be correlated with the plan of fulfillment recorded in the New Testament      **Know Him, Know His Works** William A. Barr, Ronald C. Dressman, 2009      *Feasts of Jehovah* John Ritchie, 1982-04 What was the purpose and origin of the Feasts Of Jehovah Do they have a spiritual meaning Do they have any application for us These questions are answered in the chapters of this book as we are taken through the significant dates in the calendar of the nation of Israel We are shown the origin of each of the seven feasts their spiritual lessons and what will be their prophetic fulfillment God s great plans and His eternal purpose are here foreshadowed all centered on the person and work of His beloved Son Christ Jesus our Lord By His grace we have been included in these As we follow the details of these ancient feasts our minds will be stirred to understand and our hearts to worship      Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent

Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

**GLEANINGS IN EXODUS** Arthur W. Pink, Rev Terry Kulakowski, Editor, 2015-11-29 Historically the book of Exodus treats of the deliverance of Israel from Egypt but viewed doctrinally it deals with redemption Just as the first book of the Bible teaches that God elects unto salvation so the second instructs us how God saves namely by redemption Redemption then is the dominant subject of Exodus Following this we are shown what we are redeemed for worship and this characterizes Leviticus where we learn of the holy requirements of God and the gracious provisions He has made to meet these In Numbers we have the walk and warfare of the wilderness where we have a typical representation of our experiences as we pass through this scene of sin and trial our repeated and excuseless failures and God s long sufferance and faithfulness

Andrews,2024-08-20 Unveiling one of the greatest archaeological discoveries of the 20th century The Dead Sea Scrolls What Is the Truth About the Dead Sea Scrolls takes readers on a scholarly journey into the heart of these ancient texts Discovered in the arid caves near the Dead Sea these scrolls have captivated the world offering unparalleled glimpses into a Jewish community from two millennia ago But what do they truly reveal Edward D Andrews a conservative Evangelical Christian Bible scholar offers a comprehensive exploration of the Dead Sea Scrolls meticulously examining their content context and significance This book addresses crucial questions that have intrigued both scholars and

believers How do these scrolls compare with the Hebrew Bible What insights do they provide into the religious practices and beliefs of their authors And perhaps most controversially do they have any connection to the origins of Christianity Rejecting speculative theories that link the Essenes or the Qumran community with the early Christian movement this book argues that any similarities between the Dead Sea Scrolls and New Testament teachings stem from their shared foundation in the Old Testament Andrews carefully analyzes specific scrolls such as the Great Isaiah Scroll the War Scroll and the Temple Scroll translating and interpreting key passages to uncover their true meaning The Dead Sea Scrolls What Is the Truth About the Dead Sea Scrolls is an essential resource for seminary students pastors and churchgoers who seek a deeper understanding of these ancient texts and their place within the broader narrative of biblical history With rigorous scholarship and a firm commitment to biblical truth this book provides clarity amidst the complex and often contentious debates surrounding the Dead Sea Scrolls Discover the enduring significance of these ancient manuscripts and their impact on our understanding of the Bible today
