**Beyond** Tiffany Hopkins, 2025-06-10 A twist of fate changed the life of author Tiffany Hopkins forever in the midst of her

fast paced career in the big city she unexpectedly inherited a cottage in America's oldest intentional Spiritualist community. The little town of Lily Dale in upstate New York is wholly comprised of people who believe in talking to the dead, drawing an average of 20,000 tourists every year. These seekers come to experience the practice of spirit communication, booking sessions meeting one on one with mediums and fully immersing themselves in the otherworldly atmosphere of this rare and wonderful town. After learning how to be a medium, Hopkins began focusing on normalizing talking to the dead, getting the word out about the practice of embodied mediumship, the art of connecting with the self to hear from the other side, which offers potent expansion to anyone willing to be curious about the world beyond the veil. Beyond encourages readers to increase their powers of empathy, intuition and imagination to inspire creativity, heal body and mind and even create community and find their way to like minded souls. In addition to a step by step guide to the basics of mediumship, Hopkins includes prompts and exercises for developing skills like discernment and boundaries, assuming trance consciousness to create in a state of flow and working with others in collaborative circles to pool ideas and receive more nuanced feedback from the universe. Readers will come away with a fresh appreciation for this world, both physical and metaphysical and an exciting new way to approach their life by strengthening all six of their senses.
