oblige Make them your slaves by pummeling them into submission Do you know what the best part is They ll keep coming back for more Your subs will be so thrilled by the tactics you have for them that they won t be able to stay away In fact don t be surprised if you get requests from multiple subs What are you waiting for Let s get started in the world of FEMDOM today A word of caution though once you cross the threshold you won t be able to go back [Guide to Female Supremacy](#) Mistress Peggy Sue,2013-08-27 Mistress Peggy Sue has been a Domme for 51 years and now live the Female Domination lifestyle with her slave husband and two daughters 24 7 She began Domming when at age 14 she dommed her three younger brothers into cleaning the house Her twin sister soon became a Domme after following her example and went into psychiatry where she studied the male psyche for 31 years She started training her daughters to be Dommes at age 12 **Pornography, Sex, and Feminism** Alan Soble,2011-02 In this unabashed defense of pornography from a utilitarian hedonist perspective philosopher Alan Soble strongly rebuts both feminist and conservative critics Soble demonstrates that neither conservative nor feminist critics of pornography show much acquaintance with the genre they criticize This suggests that purely political motives underlie their critiques instead of reasoned objective arguments based on thorough empirical research Soble also faults critics of pornography for their failure of empathy they refuse to see pornographic images from the various perspectives of their viewers In approaching these images literally detractors promulgate the worst possible interpretation of pornography Further they do not do justice to the social and psychological research about pornography and its purported harms Conservatives and feminists manufacture their case against pornography and its consumers based on oversimplified interpretations of the images and a poor understanding of scientific studies This sardonic and well reasoned critique of feminist and conservative moral outrage over pornography is sure to be controversial [A New Model : Female Cuckolds 41 \(Cuckquean, Threesome, Lesbian, FFM, BDSM, Femdom, Anal Sex, Clean Up Erotica\)](#) Connie Cuckquean,2025-03-20 Tristan Cole was a fantastic sculptor but his new piece was fast becoming an obsession The realistic full sized cast of a beautiful woman has got his wife Catherine jealous but things get even wilder when Tristan s sculpture takes on a life of its own Read as the sculpture claims Tristan in front of his wife before insisting she clean up the mess they ve made inside her as she takes him in her behind before letting him finish in her sex **Carnal Resonance** Susanna Paasonen,2024-02-06 An exploration of the modalities affective intensities and disturbing qualities of online pornography Digital production tools and online networks have dramatically increased the general visibility accessibility and diversity of pornography Porn can be accessed for free anonymously and in a seemingly endless range of niches styles and formats In Carnal Resonance Susanna Paasonen moves beyond the usual debates over the legal political and moral aspects of pornography to address online porn in a media historical framework investigating its modalities its affect and its visceral and disturbing qualities Countering theorizations of pornography as emotionless affectless detached and cold Paasonen addresses experiences of porn largely through the notion of affect as gut reactions intensities of experience bodily sensations resonances and ambiguous feelings She links these

investigations to considerations of methodology ways of theorizing and analyzing online porn and affect questions of materiality bodies technologies and inscriptions and the evolution of online pornography Paasonen discusses the development of online porn focusing on the figure of the porn consumer and considers user generated content and amateur porn She maps out the modality of online porn as hyperbolic excessive stylized and repetitive arguing that literal readings of the genre misunderstand its dynamics and appeal And she analyzes viral videos and extreme and shock pornography arguing for the centrality of disgust and shame in the affective dynamics of porn Paasonen's analysis makes clear the crucial role of media technologies digital production tools and networked communications in particular in the forms that porn takes the resonances it stirs and the experiences it makes possible
