

The background of the cover features a complex, three-dimensional molecular model. It consists of numerous spheres of varying sizes, some of which are semi-transparent, connected by thin, light-colored rods representing chemical bonds. The spheres are arranged in a way that suggests a crystalline or network-like structure. The lighting is soft, creating a warm, golden-brown glow across the entire scene, with some areas appearing slightly more illuminated than others, giving it a sense of depth and texture.
