Play Therapy with Children and Adolescents in Crisis, Fourth Edition Nancy Boyd Webb, 2015-07-30. This book aims to provide professionals and clinicians in training with the latest forms of treatment for children and adolescents who have been impacted by crises and trauma. The various treatment options presented here include approaches that focus on the individual as well as many that include a parent in conjoint or filial therapy and others that employ a family treatment model. Many chapters in this book demonstrate the use of a variety of creative methods with young people who have suffered traumatic experiences such as sexual abuse, bullying, immigration, natural disasters, and witnessing violence.

Working with Client Experiences of Domestic Abuse Jeannette Roddy, 2023-06-30. This edited volume shares relevant theory and practical strategies to support counsellors to work effectively with those who have experienced domestic abuse. The effect of relational and other abuses can impact an individual's ability to engage with family, friends, counsellors, or other professionals trying to support them due to reduced ability to trust and the impact of complex trauma. Helping someone to recover requires specific knowledge and skills, not usually part of a standard professional training program. This book acts as a training manual providing an overview of what clients need at different stages of recovery. It contains chapters written by staff who deliver counselling and mental health training and provides their insight into the specific issues that clients may present, suggesting constructive and accessible suggestions for practice and a chapter on counsellor self-care. The reflections exercises in each chapter will help the reader assess their competency. Working with Client Experiences of Domestic Abuse will be of interest to mental health professionals, counselling training courses, and domestic violence services who wish to incorporate counselling as part of their service offer.

Treating Traumatized Children Beverly James, 1989. Listening to a small child describe a parent's murder can tax the most seasoned professional. Cases of physical and sexual abuse where trauma was deliberately inflicted can particularly challenge a practitioner's defenses. Treating Traumatized Children is the first handbook to provide specific guidance and tools for treating children who have been traumatized by physical and sexual abuse, disaster, divorce, or witnessing violent events. This book will provide helping professionals with a clear blueprint for assessing the impact of trauma and developing specific treatment plans. Beverly James, a specialist in evaluating and treating traumatized children, outlines creative exercises and techniques that will enable clinicians to join with children in slowly and carefully

reviewing their experiences and helping them understand and accept their feelings related to the trauma Art play and drama techniques among others are presented in a sophisticated yet straightforward style useful to clinicians with specialized training in such techniques or those using them for the first time Creative Arts and Play Therapy for Attachment Problems Cathy A. Malchiodi, David A. Crenshaw, 2015-07-22 This book vividly shows how creative arts and play therapy can help children recover from experiences of disrupted or insecure attachment Leading practitioners explore the impact of early relationship difficulties on children's emotions and behavior Rich case material brings to life a range of therapeutic approaches that utilize art music movement drama creative writing and play The volume covers ways to address attachment issues with individuals of different ages as well as their caregivers Chapters clearly explain the various techniques and present applications for specific populations including complex trauma survivors
