**Creating the Capacity for Attachment** Karen B. Walant,1998-08-01 Detached alienated people many of them

functioning with a pathologically developed false self barely navigate life's challenges. Our cultural emphasis on autonomy and separateness has led to a retreat from valuing interpersonal communal dependence and has greatly contributed to a rise in the number of people whose suffering is often expressed in addictions and personality disorders. Using actual patient material including diaries and letters, Karen Walant's *Creating the Capacity for Attachment* shows how immersive moments in therapy moments of complete understanding between patient and therapist are powerful enough to dislodge the alienated detached self from its hiding place and enable the individual to begin incorporating his or her inner core into his or her external social self.

**Create Your Own Fate** Elaine Northrop, 2011-01-19 Nothing is Beyond Belief. Imagination is the key to creating a new reality. Whatever you can imagine you can implement. Whatever you believe to be actually creates the world you see. Life doesn't just happen to you. It responds to you and the thoughts that you are creating on a continuing basis. Although thoughts are not tangible they are programmable and powerful. Thoughts can transform the abstract into the absolute. This book is about creative visualization or wishcraft which is a way of thinking that can change your life. The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality. The process starts with a dream a desire or even just a wish. Wishes come in all sizes. One can wish small or one can wish big or tall. One can even choose not to wish at all but wishing is really the key to creating a new reality. Everything that you can conceive of already exists or you couldn't even conceive of it. Creative visualization simply makes the invisible visible. Your beliefs are the key to making the invisible materialize. Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality. The world can be yours to have and to hold once you take control of your own destiny. That doesn't mean that you can control the events that will happen in your life but you can control how you envision those events. Those visualizations can either empower you to excel or cripple you in crisis. If you want your life to change try doing something strange. If you want your life

to be different do different think different Sometimes all that you need to change is your mind and your beliefs Stop setting limits on your life Become part of the cycle of life which is to Dream desire create and inspire **The Starfleet Messages** Catherine Richardson,2010-05-11 What are the choices that free us What would it mean to live adventurously beyond depression and fear How can we rise beyond ourselves to embrace the God within us Channeled in plain and inspiring words from a group of beings known as the Galactic Frequency Council The Starfleet Messages A Galactic Guide to Spiritual Expansion is more than a toolkit for spiritual expansion it is an invitation to join in the great work of creating the world we live in 21 Days to Creating Your Dream Life Stephen Mark,2008 This empowering book shows how changing the way a person thinks can radically transform their life it is an excellent guide to help get anyone on the path to creating success and abundance It is a step by step inspirational guide with real life examples to leave a powerful and lasting impact in the readers mind It takes the reader through the necessary steps to start changing their thoughts and beliefs so they can achieve their dream life You will learn more about how your perceptions control everything you see and hear while providing useful life tools to create a better life It gives you the opportunity to test yourself as to where you are in your life You are taken through numerous exercises to help you understand yourself in more detail So are you one of those people who believe that good fortune success blooming health and all the perks of a wealthy lifestyle comes to a select few who somehow have managed to win life s lottery **10 Ways to Tap Into The Abundance Of The Universe** quantum star,2023-11-04 In the grand tapestry of life we all yearn for abundance Whether it s financial prosperity emotional well being or a sense of fulfillment the desire for abundance is a universal aspiration We seek to attract those elements into our lives that can help us flourish but the path to abundance is often a multifaceted journey It s a voyage of self discovery personal growth and transformation and it requires the right mindset actions and beliefs Abundance is not merely about wealth although financial prosperity is one facet of it Abundance encompasses a vast spectrum of experiences and emotions including love happiness opportunities health and a sense of purpose It s about creating a life that is rich in diverse meaningful ways Achieving abundance involves not just external circumstances but also our inner landscape the beliefs thoughts and energies that shape our reality
