Creative Bible Lessons in Romans Chap Clark, 2009-08-08 Think of it as a lean mean Bible doctrine course without the lecture But with lots of options videos music and drama And small group work And reproducible interactive worksheets with eye catching designs and soul searching content Like what else do you expect from St Paul when he sits down to write the meatiest book of doctrine in the Bible in the 12 clear complete sessions of Creative Bible Lessons in Romans Author Chap Clark guides kids and you through the Big Ideas in this first century letter to Christians trying their darndest to live godly lives in an ungodly culture Sound familiar From the not so savory picture the apostle paints of humankind in the opening chapters through his celebration of grace and acceptance in midbook to his tightly reasoned argument that love should fuel a Christian's decisions and relationships here are topics made to order for teenagers living at the turn of the 21st century Teach your way through Romans with these read to go sessions Or scavenge whatever you want of the creative scripts handouts and other options to customize lessons of your own Any way you use it Creative Bible Lessons in Romans is your no doze ticket to solid Bible doctrine 12 lessons

Creative Bible Lessons in 1 and 2 Corinthians Marv Penner, 1999 These twelve studies about the people of Corinth and their founding pastor Paul pave the way for youth workers and Sunday school teachers to teach junior high and high school students about conversion transformation failure leadership authority and God's constant saving love even in the midst of people making a mess of things 12 lessons

Creative Bible Lessons from the Old Testament Laurie Polich, 2011-02-22 Okay so they used mule mail instead of e mail but they were still surprisingly modern men and women With emotions decisions and dilemmas as raw and real as the students sitting in front of you every week David and Rahab Daniel and Ruth even with their rough edges they passionately loved Jehovah in a way today's adolescents can understand and emulate Here are 12 Old Testament character studies including Believe it or not Abraham Living by faith is not for wimps Faith overcomes a fast past Rahab What you live is what you believe Everything else is just talk The waiting game Joseph Trials and temptations can make us strong Benchwarmer to first string Moses Often God uses the least likely person to do great things Right woman right place right time Esther God has created each one of us for a purpose Keeping promises Ruth Commitment means more than saying the right words Bad days for good people Job Suffering may be the condition from which humans benefit the most The long way home Jonah Sometimes we simply say no to God And to help you teach the lesson are clips from easy to get videos games for mixing and games that teach in depth ready to use questions guaranteed to spark small group discussion original role plays scripts dilemmas faced by these ancient but very human believers in their Yahweh For youth workers Sunday school teachers and CE directors Creative Bible Lessons from the Old Testament will help your students understand that the God who offered

hope and courage to ancient history makers still does the same for teenagers today 12 lessons **Dennis Benson's Creative Bible Studies** Dennis C. Benson, 1985 Creative Bible Lessons on the Prophets Crystal Kirgiss, 2009-08-30 12 insightful sessions on the prophets for youth workers small group leaders and Sunday school teachers These 12 insightful sessions delve into the lives and missions of Old Testament prophets in ways that will pique kids interest and imagination Students will learn about ordinary individuals with evergreen extraordinary messages about faithfulness idolatry self centeredness integrity passionate faith knowledge of God a just society and God s mighty hand in the history of all humankind The prophets offer 2 indispensable gifts to teenagers a window into the heart and mind of God and a recurring reminder that human beings matter immeasurably to God The prophets talk to God and to people But best of all God responds He speaks to people and to teenagers today **Creative Bible Lessons in Galatians and Philippians** Tim McLaughlin, Cheri McLaughlin, Jim and Yolanda Miller, 2010-12-21 Grace growth freedom and faith are the themes of these 12 dynamic lessons based on the letters from Paul to the Christians in Galatia and Philippi As the next volume in the popular Creative Bible Lessons series Creative Bible Lessons in Galatians Philippians comes power packed with the teachings of Paul Six lessons from each book will guide you and your students through many of the Gospel s central truths including Liberation from the religious rules and regulations corral Reconnecting with true freedom in Christ The purpose of the law and moral boundaries Humility and friendship Setting an example for others Joy in spite of circumstances To help you teach each lesson are clips from easy to get videos games for mixing and games with a purpose in depth ready to use questions for small group discussions original role plays scripts and spontaneous melodramas plus a lot of other activities to choose from that give your students not only an occasional laugh but also a taste of the extravagant grace of God as well as the kind of joy that literally overflows all over the place *Creative Bible Lessons in Genesis* Hoon Kim, 2009-05-26 Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today s culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived to by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experiencisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and

role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform

Creative Bible Lessons in Revelation Randy Southern, 2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers You try to convince yourself that the apostle John is just another New Testament writer kindly gentle loving You know normal But he's just so weird Most of the time you have no idea what John is talking about in his revelation When you must interact with his wild otherworldly book you escape as soon as you can to familiar saner Bible texts Like Matthew's Gospel or one of Paul's letters after all they straight up tell you what Jesus did and what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn't so much a crazy guy as he was a visionary inspirational and worshipful guy And you don't have to subscribe to any pre or post eschatology theory in order to learn all sorts of good stuff from the apostle So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos they will however acquaint your youth group with the mysterious nature of Revelation then demonstrate how these apocalyptic principles actually provide practical application for us today Here's what's inside every session Detailed overviews for clear convenient prepping Intriguing activities and games with a point that introduce that session's topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises that translate John's visions into practical attainable actions and attitudes for students' daily lives Plus you'll get these bonuses Let's Get Theological lite intros to the various interpretations of the reactions to the events Revelation predicts More More More helpful supplements to activities and discussions Worthy of Worship top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God Questions about the future lurk in everyone's minds especially in the minds of teenagers Now is your chance to explore the book of Revelation with your students to glimpse at the never ending worship to come to grab hold of God's promises and his mercy and to bring some ease to troubled hearts
