Creative Bible Teaching Lawrence O. Richards, Gary J. Bredfeldt, 2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God's Word is always relevant the teacher must help students see Scripture's vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God's Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God's Word This newly revised edition makes learning about God's Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God's Word in a way that sticks

CREATIVE BIBLE TEACHING. LAWRENCE O. RICHARDS, 1999 **Creative Bible Lessons in John** Janice Ashcraft, Jay Ashcraft, 1996-01-23 Kids encounter Jesus face to face through this creative and powerful study of the Gospel of John Each of the 12 complete lessons includes active learning techniques that help keep kids interested and involved bringing the Gospel to life and show kids that the message is just as relevant for them as it was for the people in John's time Includes tips clear outlines and ideas for leaders **Creative Bible Teaching** Larry Richards, 1973 Though most conservative evangelicals hold to the belief that the Bible is the Word of God in propositional form Mr Richards regretfully observes that this conviction has not preserved us from communicating Bible truths inadequately and at times wrongly It is with the sole desire he continues that God's life changing truth might be taught in a life changing way that I submit this book Creative Bible Teaching presents the Christian educator with insights into the theory and practice of Bible teaching It also strives to give the lay teacher practical ways to improve and update his teaching Mr Richards reaches both of these groups in three separate yet integrated sections Creative Bible Teaching is a comprehensive encyclopedia to the basic approach and methods of Bible teaching Bible teaching that will communicate God's Word in a contemporary relevant manner Jacket flap **Creative Bible Lessons from the Life of Christ** Doug

Fields, 1994-05 Each lesson included in this Youth Specialties collection brings home biblical truths in creative and enjoyable ways In addition each Bible study is quick and easy to prepare 12 lessons **Creative Bible Teaching** Larry Richards, 1977

Creative Bible Lessons in Job Doug Ranck, 2009-05-26 If your students have ever heard the story of Job they are likely to remember one thing suffering Well they might remember a pile of cow dung but they're teenagers While suffering is a prevalent theme in Job the stories inside this book also provide readers with truth and wisdom about a just and loving God who walks with us in the midst of an unjust world Every human being Christ follower or not has asked Why does God allow suffering We all know that there are no easy answers to that question But as you take the book and story of Job piece by

piece you ll be able to guide students towards a better understanding of this God who can be so difficult to comprehend Through the twelve sessions you ll help your students face some of the tougher issues of life like The relationship between sin and suffering How to be a friend to those who are suffering and how not to be Why don t the wicked suffer How to survive suffering and let God be God In the tradition of the best selling Creative Bible Lessons series CBL in Job presents each session in sections to help you move your students through a sequence of engagement reflection learning and application Including preparation for leaders materials lists discussion starters scripture lessons and activities to help personalize the learning you ll find that any youth worker can use this book to effectively guide students toward the important lessons from Job

Creative Bible Lessons in 1 and 2 Corinthians Marv Penner,2010-10-05 Christian adolescents in the 21st century face pretty much the same situations as the first century Christians in Corinth did an indulgent profligate choose your own god society The latest in the Creative Bible Lessons series Creative Bible Lessons in 1 2 Corinthians is a 12 lesson curriculum with an issues oriented spin on living one s faith in the real world It lets teenagers wrestle with the tension between biblical instruction and cultural realities These 12 studies about the not so easily tamed people of Corinth and their founding pastor Paul of Tarsus pave the way for youth workers and Sunday school teachers to teach high schoolers about conversion transformation failure leadership authority and God s constant saving love even in the midst of people making a mess of things Here are some of the not so ancient issues you ll explore in this study Give Me Liberty or Give Me Love Friends Don t Let Friends Go Unforgiven Those Pesky STDs Sexually Tough Decisions Love Is No Easy Answers Show Me the Money and Ouch Of course there s lots of what the Creative bible Lessons series is known for provocative and relevant discussion starters to the point scripts high energy games reproducible pages of interactive activities all in the context of hard core Bible study 12 lessons

Creative Bible Lessons in Essential Theology Andrew A. Hedges,2009-09-13 As a youth worker you have certainly spent much of your time addressing the current issues facing teens but have you stopped to think about what may be behind students behavior Many of the not so wise choices students make are the result of a confused worldview that comes from uncertainty about who God is It s easy for students to dismiss the truth when they learn from the world that all truth is relative Creative Bible Lessons Essential Theology uses a conversational approach to give students a theological foundation to better understand God and his purpose for how to live their lives Throughout the twelve sessions of this study students will learn how creation provides evidence of God s existence look at how God has chosen to reveal himself through his Word learn to live lives that reflect God s love for them understand their need for God s direction commit to following God s will as they make life decisions discover how God s invitation to enter his kingdom affects the direction of their lives examine where they are with God on a personal level Following in the tradition of the bestselling Creative Bible Lessons series you ll find audio visual and hands on activities to engage your students in the pursuit of theology And because every student learns differently each lesson includes options to help you reach your particular group of students whether they learn
